

LANDULPH NEWSLETTER
February 2006 No 1

Welcome to the Landulph Newsletter.

Last year the Parish Plan identified a need for better communication within the parish and it was thought that a newsletter would be a good way of doing this.

A group of 6 volunteers has come together and, with the help of the contributors, has put together this first edition. Thanks go to all those who helped, contributed and advertised.

The newsletter will contain a diary of all parish events and also articles and reports from the organisations that exist in the parish.

A grant from the Tamar Valley Area of Outstanding Natural Beauty Sustainable Fund will cover the costs of the first 3 editions. It is hoped to continue with the help of revenue from advertising.

We would welcome your comments about what you think should be in the newsletter. It has been suggested we include articles on people who live in the parish, births, deaths and marriages, as well as welcoming new inhabitants. The newsletter will be delivered free to all the houses in the parish.

We hope you find this first edition of the Landulph Newsletter a useful and informative aid to what happens in your parish.

Community First Responders

The impetus surrounding the recent Parish Plan led to an application to the West Country Ambulance Trust to set up a First Responder scheme in Landulph.

This scheme is made up of volunteers within our community who have been trained to attend designated emergency (999) calls received by the NHS Ambulance Service, providing first aid until an emergency ambulance arrives.

Many of these schemes are in operation in communities and workplaces around the world and have their basis in work done in the USA. This found that if a set sequence of events took place **before** hospital admission a cardiac arrest victim had a greater chance of survival.

These events are:

Early Access	(to activate the emergency services)
Early Basic Life Support	(Cardio Pulmonary Resuscitation)
Early Defibrillation	(an electric shock to start the heart)
Early Advanced Care	(paramedic intervention)

This sequence of events has become known as the "Chain of Survival".

Our Community Responders are trained in the first three stages of the chain.

Following initial training and assessment, each group member had to do a minimum of three shifts with an ambulance crew. Regular training and assessment has to be undertaken on a monthly basis, including further spells with ambulance crews. The group became active during the first half of last year and has attended several emergencies already.

Landulph Footpath Group

For the past few years the parish has been without a Footpaths Officer. Although renewed requests at the time of the Parish Plan Survey failed to attract a volunteer, a few concerned footpath users suggested they might share the task. The Landulph Footpath Group was subsequently formed, its aim being to assist the Parish Council with the management of the parish foot paths.

Under Cornwall County Council's local maintenance project, the Parish Council is responsible for organising and contracting out maintenance work, for which it has been reimbursed by CCC. This is about to change under a new paths priority strategy whereby paths are categorised as Gold , Silver or Bronze, with only "Gold " paths likely to be eligible for the full maintenance grant. CCC say that at present details of the scheme are not fully finalised.

During December a number of path improvements were carried out by local contractors using materials supplied by CCC. Thanks go to local CCC ranger Brian Lightfoot for help and support. While footpath group members try to check out the state of the footpaths regularly, information on problems encountered is welcomed—preferably in writing, to Reg Rice, Medano, Church Lane.

On December 27th the footpath group led 3 walks around the parish that attracted a large numbers of walkers. The walks varied in length from 3 to 7.5 miles. Most of the parish footpaths were walked in a cold north wind but with beautiful sunshine. The walks ended at the Spaniards Inn where many had a welcome drink and lunch.

Landulph Festival Association

The Association stages the annual Landulph Festival of Music and Arts with performances of Classical Music, Jazz, Folk, Poetry and an Art Exhibition.

The origin of the Association lies in a music festival, which was first held in 2002 as part of a project to fund repairs to the roof of the Parish Church and was successfully completed in 2004. Such was the popularity of the festival, and the enthusiasm of the organising group, that it was decided to keep it going.

Consequently at a public meeting on 2nd December 2004 the Landulph Festival Association was formally constituted and in 2005 produced its first independent festival, which was a cultural and financial success.

Plans for this year's festival in June are well in hand and programme details will appear in the next issue of this newsletter. The Association's Constitution automatically confers free membership on all people over the age of 18 who live in the Parish of Landulph and neighbouring parishes.

For more information about the Association or the 2006 festival contact the Hon. Secretary: Colin James 01752 849805

The date for **submission of articles** for the next newsletter is March 10th 2006. While we have made every effort to ensure that all is accurate, we ask you to forgive any mistakes. All organisations will be profiled during the course of the year. The committee reserves the right to edit articles to fit into the space available. Jo Butcher 01752 844302

Landulph WI

We meet on the second Tuesday of every month at Landulph Memorial Hall (or Annexe) and have done so for over 50 years. We have some outings, a varied programme of speakers and a number of social events.

The atmosphere is friendly and relaxed and we would welcome any new members. Why not join us as a guest and test the water! For further details please contact the Secretary, Valerie Oatham, on 01752 842560 or the President, Lesley Allibone, on 01752 844850.

Details of each month's meeting can be found on various notice boards throughout the village.

Landulph Good Companions Social & Friendship Club

Formed over 30 years ago and still growing, the club meets on the third Tuesday of each month at the Memorial Hall and on the fourth Tuesday (April to November) for a monthly coach outing. We also have a yearly visit to a Pantomime, a Christmas Lunch/Dinner and party. Each meeting has a speaker/entertainer etc. From the original membership of a couple of dozen or so, our current membership is in excess of 110, drawing friends from surrounding villages & towns and some from Plymouth. Our hardworking committee and helpers are all voluntary and the club is self supporting.

Any enquiries please contact Secretary – Harry Pryce 846692

Landulph Under Fives Playgroup

The Group is well established in the local area, has been running for over 35 years and meets in Landulph Memorial Hall during term time.

It offers an excellent opportunity for children to play and have fun and to make new friends. Additionally, our aim is to care for, educate and enhance the individual development of the children within our local community in a safe, secure and stimulating environment. We have a wide range of toys and play equipment and undertake a broad range of activities with the children including craft making, cooking, painting, singing and story telling. Run by our fully qualified Playgroup Leaders, the Playgroup is OFSTED inspected, is a member of the Pre-School Learning Alliance and Early Years Development and Childcare Partnership (EYDCP). It follows the Cornwall EYDCP's Early Years Curriculum to aid the preparation of children for school, and works very closely with Landulph School. The Playgroup is qualified to receive funding for all 3 and 4 year olds.

The Playgroup is open:

Monday & Thursday	9.30am to 3.00pm
Tuesday	9.30am to 12 noon

Children can attend the a.m. and/or p.m. session with a supervised lunchtime, provided they can bring a packed lunch. Children are welcome from 36 months. Part time school starters are also welcome.

Additionally, there is a thriving Baby and Toddler group which meets on a Thursday morning from 9.45am in the Memorial Hall Annexe. This provides an opportunity for new Mums to meet up and for the children to play.

For further details please contact the Playgroup Leaders Helen Richards (01752) 849407 or Sandra Plumb (01752) 842941.

Landulph Memorial Hall

The first event of this year's social and fund raising activities is a Murder Mystery Night on Saturday March 4th and is being held in response to popular demand after a similar event last year. Those who came will tell you what an entertaining evening it was. The scene is this - the plot is presented by a group of actors and all the audience has to do is identify the murderer! Not as easy as you may think! There are lots of false trails and clues. As usual there will a licensed bar and a light supper. So watch out for further clues about when and where it is to be! Plans for the rest of this year's social and fund raising activities are well in hand and details will be published in future editions and on local notice boards.

Mobile Library

The Cornwall County Council Mobile Library comes to Cargreen on alternate Mondays at 2 pm and stays for 15 minutes. It stops at the corner of Coombe Lane and Fore Street .
It is possible to join on the day and borrow any of the books or videos on board and there is no charge.
The dates of visits are displayed on the notice board at Coombe Lane, Cargreen.
It is possible to request books by phoning 01579 343285 and these, when available, will come on the van.

Saltash Cricket Club

Why, you may ask, is an article about Saltash Cricket Club appearing in The Landulph Newsletter?

Well they *are* our local cricket team, largely because their home ground is the Henry Searle Memorial Field at the end of Church Lane and because a large number of the side are local lads, one of whom is Ross Braund, the captain.

Last year the team enjoyed great success; they gained promotion to Division 3 of the East Cornwall Cricket League after coming top of Division 4. They also convincingly won the annual end of season game between the winners of Division 4 East and Division 4 West. The team wish to thank everyone who supported them and look forward to seeing you next year when the quality of the games will be even better.

Of course the team are delighted with their successes but there is a small down side; a condition of promotion is that they have to upgrade their home ground facilities. Those who know the pavilion will understand what is involved! However, work has started and the team members, notably lead by Stan Hutchinson and Dave Simpson, have been carrying out some much needed redecorating and tidying-up. The first game of the new season is not far away really – the end of April, would you believe? Nets of course will start before then. Interested in helping or playing? Then contact Ross Braund on 07971 838 064

Newspaper Delivery

For over 30 years Mr and Mrs Reed, delivered newspapers to the parish. Christmas Day and Boxing Day were their only days off.

In early December they announced their decision to retire from the daily delivery and we wish them a long and happy, healthy retirement.
