Please give us your diary dates well in advance!

So much goes on in the parish that it is not unknown for two events to clash. This is a waste of time and effort, people worry about divided loyalties, and both events inevitably suffer from reduced support. Please let me know of any forthcoming events as soon as possible and as far ahead as you can (we listed the September 2017 craft beer festival here before Christmas), so that even if there isn't space to publish everything, we can at least alert organisers to the potential for a clash.
