YOUR VIEWS ON THE USE OF FUNDING FOR PROJECTS IN THE PARISH

As part of the proposals for the North Wayton Solar Farm extension, an agreement was made for the applicants to provide an additional lump sum payment of £10,000 to Landulph Parish Council, for use in the parish for the benefit of the community as a whole. Many projects have already been supported from this funding, and there remains £3,000 to be spent.

Landulph Parish Council are asking parishioners for their views on how the remaining funding of £3,000 could be used, and have asked for this information in the following format:

- 2 sides of A4
- 3 contractors' quotes (where possible) detailing the costings of the project
- Explain how the project would benefit the Landulph Parish community as a whole
- To be emailed, or sent by post to the Parish Clerk
- Your contact name and details
- Deadline: 12.02.18

Any suggestions received in this format will be considered at the Landulph Parish Council meeting on Monday 19 February 2017 at 7.30pm in the Landulph Memorial Hall Annexe, at which you will be asked to provide a 5 minute presentation.
