All equipment complies with the Provision and Use of Work Equipment Regulations.	

CONTRACT	
Local Maintenance Partnership Cutting of Public Rights of Way in the parish of Landulph 2024-25 (as highlighted in the Public Rights of Way map showing Gold, Silver and Bronze paths).	
Gold paths requiring 2 cuts per year – typically the first cut in May/June and the second cut in August/September. Other paths requiring 1 cut per year – typically in June.	
Paths should be maintained consistent with their level of use and legal status (eg. Footpath or Bridleway), as a guide:	
Footpaths should be cleared to a width of 2m (where possible) and to a height of 2m; Bridleways should be cleared to a width of 3m and a height of 3.4m where the path corridor allows.	
Request that the appointed contractor liaises with two Parish Councillors (Cllr Tagg and Cllr P Braund) to identify the Parish Council's requirements.	
Quotation cost	(please note the maximum cost we can accept is £665.86) £
