

REPORT TO LANDULPH PARISH COUNCIL - WORKING GROUP UPDATE	
Please complete and submit this form for Working Group updates to be considered by Landulph Parish Council.	
TITLE	Landulph Climate Group
DATE OF UPDATE	11 July 2024
ACTIVITIES TO REPORT	<p>BioBlitz Competition BioBlitz day at Landulph school on 4 July was very successful – the children enjoyed it and so did we. We had 32 groups involving 57 children from 5-11 and 58 finds (bugs (39), birds (11), plants (7), amphibians (1)). Most exciting finds: toad, bloody nosed beetle. We have used the experience to change our material about the competition and will be circulating a printed leaflet with the August version of the parish newsletter as well as publicising the competition on social media and in the School newsletter.</p> <p>Buses The 454 will be changed to Thursday from September. Unfortunately some of the published material has not been updated with the bus change in April. Current timetables have been put on the Parish noticeboards. The Shopper bus on Wednesdays continues to be well supported and we have an additional driver from Cargreen. It is important that we continue to encourage the community to use our bus services so that people of all ages can live in the Parish without owning a car.</p>
COUNCILLORS INVOLVED	D Gregory, C Tagg, M Worth
