76-24 [Planning Updates](#) (for information only). Noted.

77-24 Report from the [Landulph Climate Working Group.](#) Noted (no recommendations).

Cllr Worth encouraged everyone to use the Thursday bus (concession bus passes can be used).

Cllr Ansell commented that it’s a very tight connection for the two key trains (to Plymouth and to Penzance). Cllr Tagg commented that if the return bus is missed, people can catch the number 12 to Hatt – and arrange a lift from Hatt.

78-24 Report from the [Landulph Orchard Green Working Group.](#)

Recommendations: Publicise progress on Duchess Green.

Costs:

1. Posters for progress display – est £20 – general LOG account
2. Cuprinol – Gill Mannings Cox £12 – general LOG account
3. Plaques for donated benches – Clare Tagg - £45 – LOG reserve

Cllr Tagg encouraged all to visit Duke Orchard, and to record their visit (but please do not visit Duchess Green as it is currently a building site and is dangerous – however if you contact Cllr Tagg she will arrange an accompanied guided tour).

Cllr Gawith proposed, Cllr P Braund seconded, and it was RESOLVED to approve the recommendations.

79-24 Report from the [Playing Field Working Group](#). Noted (no recommendations).

80-24 Report from the Governance and Finance Working Group.

No report.

81-24 Update from the Landulph Energy Proposals Working Group.

No update.

82-24 Proposals to install a handrail/step near the phone kiosk.

Cllr Gawith met the contractor on site to discuss requirements, and was advised it will take c4-6 weeks.

83-24 Discussion on Callington Cricket Club's use of The Searle Family Memorial Field.

Cllr Worth advised that Landulph Parish Council has been informed in writing that Callington Cricket Club no longer want to hire the field, citing water supply issues and a lack of volunteers to maintain and upkeep the playing surface. They have given their notice from 31.12.24.

There is a legal document which outlines what the field can and can't be used, as follows:

Landulph Parish Council shall use all reasonable steps to procure the continued use of the Property

1. For cricket, but failing this
2. For the recreational use of the inhabitants of the parish of Landulph but failing this
3. For amenity land or woodland with access for the inhabitants of the parish of Landulph but failing this
4. For agriculture, the income therefrom being used for the benefit of the inhabitants of the parish of Landulph.
5. The property shall not be used for development or horticulture.

The following was discussed by Parish Councillors:

- The Parish Council will hold discussions with the English Cricket Board.
- The Parish Council should start approaching alternative cricket tenants now, with a view to taking over the lease from 01.01.25 onwards, could contact all local cricket clubs via email.
- Other cricket clubs are likely to be willing to hire the field
- The cricket pavilion will be staying.
- The Parish Council will need to evaluate the situation with the water supply, as the cricket field will need watering. To contact South West Water to identify what the issues are (near the school), is the pipe is leaking and to discuss the issue of the water quality. Currently Callington Cricket Club has the water contract. It could cost significantly to fix the water supply.
- It was proposed that Landulph Parish Council sets up a 'Searle Family Memorial Field Working Group' - Cllr Gawith, Cllr G Braund, Cllr Ansell and agreed to be involved. **[ACTION: Terms of Reference to be drafted].**

Cllr Worth suspended Standing Orders and asked for views from parishioners, as follows:

- Callington Cricket Club has spent a lot of money on the pavilion, but sadly people demand a certain standard - one Cornish league refused to come to Landulph because of the state of the pavilion.
- The pavilion is quite tatty and could be costly to refurbish to an appropriate standard, but a grant could be applied for.
- Does the English Cricket Board have any funding?
- Water quality check – suggestion that Stanlakes at Launceston can do this and is not too costly.
- When the lease ends, will the water bill then come to Landulph Parish Council?

Cllr Worth reinstated Standing Orders.

84-24 [Finance Update](#) to note. Noted.

85-24 Grant application received from Landulph Memorial Hall.

Cllr P Braund advised that the Landulph Memorial Hall battery application was not successful (citing not enough community involvement), the Hall Committee is in the process of applying for another grant.

86-24 Footpath maintenance and adhoc footpath work, plus cutting around the 20mph signs.

Cllr Worth stated that many signs (including repeater signs) in the parish cannot be seen.

[ACTION: Clerk to raise a request via Casework Assist for Cormac to clear them].

If the answer is no, then it was proposed that the Parish Council could go out to local contractors under Section 137. The Clerk advised Landulph Parish Council that it has no powers to undertake this work (it is the responsibility of Cornwall Council / Highways), and any work contracted would not be covered by the Parish Council's insurance policy, Parish Councillors would be personally liable.

Cllr P Braund proposed, Cllr Worth seconded, and it was RESOLVED that, if Cormac will not undertake the work, the Parish Council will go out to local contractors.

Cllr Tagg reported that 'Badger Alley' has been cut properly, and the Footpaths group has ordered and received badger notices, to warn of uneven surfaces and badger sets.

Cllr Tagg reported that the stile is very steep, and the gate is broken, and asked whether the Footpaths Group can get rid of both of these? Gwen has been trying to get hold of the owners to seek their permission. **[Action: Cllr Worth].**

Cllr Tagg advised that there is a plan to put the Footpath booklet information online.

87-24 Plans for [repairs to the Saltash A38 tunnel](#) (please click on this link for further information – this link is also available on the Parish Council website news page)

Cllr Worth reported that the works are scheduled from Autumn 2024 to potentially Autumn 2025. Tunnel closures are expected overnight from now until Christmas whilst they rip out cabling, lane control features and fixtures – this will affect all of the control systems for the tunnel and the bridge. On the bridge there will be predetermined manual control or traffic lights.

National Highways are funding this c£20m project in conjunction with Tamar Bridge management. All the communications will come from National Highways. There are likely to be queues of up to 45 minutes. Cornwall Council is encouraging more people to use trains and will be working with train companies to request that all trains stop at St Germans and Saltash, and also with major employers to stagger their start and finish times.

The bridge control will lose the ability to change lanes (the walking/cycling cantilever will remain in place). The tunnel will be two lanes – one for emergency services. All communications will be live on the website (link above).

Cllr Gawith commented that they have modelled the A38 but not taken into account signs at Stoketon Cross etc, which Landulph Parish Council has asked for, as well as a live notice to say which is the best route to go.

Cllr Worth requested that parishioners please don't ring the Tamar Bridge office about this. There was suggestion that we request to extend the ferry to Cargreen.

88-24 [Saltash HWRC New Booking System](#) (link to the booking system also available on the Parish Council website 'who do I contact' page)

If you do not have access to the website form, you will be able to call to make a booking on 0300 1234 141. Any feedback on this trial can be emailed to: iwm@cornwall.gov.uk

89-24 Repayment for the housing and life ring on the playing field and payment for the park gate anti tamper key.

Cllr P Braund advised that he has purchased this (cheque to reimburse is in the Accounts for Payment).

90-24 Repeat contract for Play Inspection Company 2025.

[ACTION: Clerk to return the repeat contract form – for an inspection in April 2025].
