June 2006 No 3

Editorial

Welcome to June and July's edition. We continue to be enthused by your positive comments and would now like to forward a thank you and a please!

THANK YOU to our 'loyal band of volunteers' who deliver the newsletter to your door, whatever the weather and also **THANK YOU** to the advertisers for their support.

You may or may not be aware that the steering group secured funding for the initial copies of the newsletter but thereafter it will need to be self-financing, so.....

the **PLEASE** is to ask the village organisations for donations towards the on-going cost of producing the newsletter. Donations are also welcome from any parishioners who may feel that they would like to contribute to their newsletter. We hope that you can help and to this effect please contact your appointed representative or any of us mentioned below.

Jo Butcher, Mavis Edmonds, Trisha Langdon, Colin James, Pamela Knight and Val Oatham.

Thank you and we hope you enjoy and are informed by Newsletter No. 3!

Landulph Gardening Club Spring Flower Show

The 9th Annual Show has taken place. There was concern that because of the unseasonable weather there would not be many entries. Fortunately this was not so and the Hall was filled with daffodils, camellias and shrubs. There was intense competition in the floral art classes and the standard in this class was praised by the judge.

Prize winners included Sue Wright, B J Richards, C Dunn, Ros Dowdall, Shirley Kitney and Georgina Mason.

The club chairman, George Beeson thanked all those who had helped and cups and trophies were presented by the club president, Neil Cradick.

On Wed June 14th there is a visit to **"Boddington Fruit Farm"**. Contact George Beeson for details of transport 844378.

Obituary

Fred Hele died recently at the age of 97 at his retirement home on the Isle of Skye. Fred was a founder member of the Cargreen Yacht Club and was the club's secretary for many years. He was an active cruising member and made frequent cross channel passages with other club members in his Westerly Centaur, ARIADNE.

Even after his move to Scotland Fred made many visits to Cargreen, taking a keen interest in the Regatta, and attending the opening of the new Clubhouse. There will be a memorial service followed by interment at Landulph on Tuesday 4th July at 11:00.

IndependentAge helps older people to live with independence and dignity in their later years. Our practical support enables older people to stay in their own homes for as long as possible, and to lead active and fulfilled lives.

IndependentAge provides small regular incomes, as well as grants for unexpected expenses. If poor health or mobility are barriers to living at home, we can supply equipment such as stairlifts and mobility scooters.

Our work relies on our network of more than 1,000 volunteers, who make regular visits to the older people we support. Their friendship can be just as important as financial assistance, especially to those who live alone.

Memorial Hall News

Table Top Sales and Coffee Mornings

On the morning of the third Saturday of each month (except for December) there is a table top sale in the main hall between 9 and 11 o'clock. There are usually several sellers offering a variety of things from greetings cards, cakes and preserves, plants, to a wide range of items no longer wanted and which the sellers want to turn into cash. Some interesting things appear! Somebody else's cast-off may be just what you are looking for! Now if that isn't temptation enough we offer tea, coffee and bacon sandwiches. What better opportunity to catch up with friends and local gossip? We look forward to seeing you. Oh, by the way if you have things you to get rid of why not come along and have a stall – very affordable at £3. All you need to do is book a place [tel 01579 350385] and turn-up at 8.30.

Joey The Lips Concert on Saturday 8th July. Tickets now sold out. Sorry! **100 Club.** This is a fund raising scheme that has been running for several years. It's a monthly draw and a pleasant little gamble all for the princely sum of £12 a year. If you enter, your name goes into the draw and you stand a chance of winning £25, £15 or £10. Currently there are less than one hundred and consequently the prizes have been slightly reduced so we need to get the numbers back up to 100 or more. Feel like a flutter? Then contact Gaye Braund on 847774. By the way, if we get the numbers up there is a Christmas Bonus draw.

Treasure Hunt. The annual car treasure hunt takes place on Saturday 17th June. It's a lot of fun and is not a race! There is a staggered start at the Memorial Hall from 5.00 pm onwards and on finishing there is a supper and licensed bar back at the hall. Watch out for details on the notice boards.

Cricket Match. The annual match between Landulph and Botus Fleming takes place in August at a date to be announced. It's a great afternoon of friendly rivalry with a barbeque and bar. Watch out for details in the next edition of this newsletter.

Cancer Research UK

The spring coffee morning was held on May 13th to raise funds to help to fight cancer. The committee were delighted with a good attendance and also several donations and £170 was raised. If any one wishes to support this cause we would be pleased to receive good quality bric –a– brac. Please contact Jill Cummings 01752 846846 to arrange delivery / collection.

Landulph W I – Annual Summer Outing **Tuesday 8th August 2006**

The members of Landulph WI would like to extend a warm invitation to family and friends who may wish to join them on this occasion. We will be visiting The Lost Gardens of Heligan and Mevagissey with a fish & chip supper on the way home. If you would like to join us please telephone Lesley Allibone (844850) for more details.

Bowled a Maiden Over

I bet that you all thought that this would be an article about the cricket club! Well, you would be wrong. This is about the other sort of bowling - short mat style. Who said Short Mat bowls was boring? Certainly not those that turn up at Landulph Memorial Hall on Tuesday & Thursday evenings or Wednesday afternoons. Last year I went to the open evening held for people who might be interested in playing. Good fun, good social, good people – and not to mention a good cuppa half way through. Well, from then on I was hooked. It is a great game for all ages as you don't need athletic ability or strength, just the desire to enjoy yourself. All are welcome to come along and play and also join in the other social events held throughout the year. Why not give Reg a call on Tel: 844858, or Gilly on Tel: 841520, or just turn up at 7.00pm for evening games or 2.00pm for afternoon games. No sessions from 20th July until 6th September. New season will start then. Look forward to seeing you there.

Thanks to First Responders

I would like to give a very big thank you to the organiser and the team that trained to take on this task.

My wife recently had to ring 999 because I was in poor health, and within minutes there was a ring at the door and a First responder was there with all the equipment to take on perhaps a much worse case than mine, then within two more minutes another First Responder was enquiring at the door to see that the first one was coping. He was coping very well and within another 10 minutes the Ambulance men were here, who then carried out a first class check. With help from all of them I was pronounced fit enough for them to then fix an appointment with my own doctor within the next 30 minutes. So a very sincere thanks from an anonymous patient.

Coffee Clack

This is an opportunity to meet friends for coffee and cakes in the Rectory Room. Every 8 weeks there are stalls, raffles and a chance for a chatter. The late Jane Lynas thought of the name, and all profits go to general funds for the Rectory Room.

Enquiries about hiring the room please contact John Boughton 01752 842855

www.landulph.com

As you may know the landulph.com website was originally set up in 1999 for Denis Burton's Millennium Photographic Project. It was also used to host the first version of the CYC website . Since then I have worked in London and have not had time to maintain it but I have kept hold of the name to prevent it being snapped up by someone outside of the area. I am now based locally again and would like some help in getting it up to date or even someone to take over the running of it. With Broad band slowly penetrating the parish it has the potential to be a useful notice board for the parish.

By the time you are reading this, the front page of the website should have been re designed and the previous copies of the newsletter available on-line.

If you have a business in the parish and would like a link to your own website, please contact me. If you have a business but no website I can give you a single static page under www.landulph.com for no charge. If you have a family or local interest website please let me know so I can include a link to it.

Best of all, if you would like to contribute in any way—materials, photos, ideas, design, coding, maintaining— then please get in touch.

Notice of Appeal by Mr & Mrs G. Pearson re: Condition of conversion of agriculture barn to holiday let – Telbrig, Ellbridge Lane, Hatt.

Retrospective Planning Permission for West Combe.

The meeting on 20th March was also the Annual Assembly. Mr David List, the General Manager, Tamar/Torpoint Joint Committee was invited to give a presentation on the impending implementation of electronic tagging of vehicles crossing the Tamar. This talk was both interesting and informative and briefly:-

- an individual account has to be set up
- the cost per crossing will remain the same
- the 'tagging' entails fitting a disc to the windscreen of your vehicle
- the scheme will be compatible with other European toll bridges
- the scheme will be trialled in August and fully operational in November
- initially there will be a booth which will continue to take cash.

Did you know? At the moment 3000 vehicles cross the bridge between 8.00 & 9.00 a.m!

GABLES FARM DOGS' & CATS' HOME

We are looking for country homes for some of our residents

Can you help?

We have a large number of Collies, Jack Russells and other working breeds that we would like to find homes in the countryside. Perhaps you live in the country and would consider re-homing an unwanted pet? Some of these dogs may require further training but more importantly they are looking for loving homes where they can get lots of attention and plenty of exercise. **If you think you can help re-home one of these dogs, please contact Gables Farm on 01752 331602 or email info@gablesfarm.org.**

Landulph School Summer Term Diary

Activity Week for the whole school took place commencing 15th May. The focus was 'looking after our environment' and children enjoyed a variety of organised activities, including parish walks and a day at Looe beach. The weekly after-school athletics and art clubs are well under way and proving very popular with Key Stage 2 pupils. Weekly swimming lessons for Foundation and Key Stage 1 children and Personal Survival Skills lessons for Year 6 are also taking place.

On 22nd May, Jane Espig and Trisha Langdon ran an Art Workshop for Class 3, with the children's work being displayed at the Art Exhibition in the Rectory Room from 3rd – 11th June.

A non-uniform day was held in aid of Cancer Research on 26 May when children wore something pink. This will be followed on Sunday 4 June by the Race for Life. The school has entered a team of enthusiastic parents and staff for this popular annual event in Plymouth. Training schedules are very much a topic of conversation in the staff room!

On 8 June the school will host a Fundamental Skills Day for Foundation and Key Stage 1 children. Four visiting primary schools will enjoy a day of physical activities along with our own children in the school grounds, with healthy packed lunches being prepared by our cook. Sports Day is planned for 5 July (and as always, we have an alternative date pencilled in should the weather be unkind!).

Later in the term Year 5 pupils will be heading to Liskeard for the 'Hazard Alley' interactive safety exhibition run by Caradon District Council and also to a 'Hands On' Roadshow, a Maths activity organised by Saltash.net Community School.

As you can see, the summer term is packed full of different activities. For more information about any of these events, past or future, please contact the school – we would love to hear from you.

Childrens Saturday Club

On the 1st Saturday in each month at Landulph Methodist Church from 10.00am until 12.00 noon, there is a Saturday Club for children between the ages of 3-8 years (it is requested that children under 5 years be accompanied by an adult). The group is run by Ray & Val Oatham and is just a couple of hours for children to make things, play, socialise and generally enjoy themselves. The cost is £1.50 per child which includes a drink and biscuit. If you would like further details please telephone 842560 or leave a message on the answerphone and we will contact you.

Landulph Music and Arts Festival

The year's festival runs between 3rd and 11th June and as usual offers a varied programme to please all tastes.

You will find all the details on the enclosed leaflet.

New this year is

A Watercolour Demonstration & Talk by Howard Brown

Popular Looe artist Howard Brown

will be demonstrating his techniques and offering advice on

Thursday 8th June at 10.30 am in the Rectory Room.

Tickets are **£3.00** including coffee and advance booking is advisable.

Please call Jane Espig on 01752 844811 or Trisha Langdon 01752 842533

The Poetry Evening is something to look forward to because, apart from some readings of the works of Westcountry poets, it is the audience's opportunity to recite their own works or a favourite poem. We had a lot of fun with this format last year and those who attended and took part will tell you what an enjoyable evening it was. Don't be shy and do come along!

Reappearing this year will be Bob Tinker and the Jazz Prophets – a real treat for jazz fans – and watch out for our singer! This event apart, there is a very Cornish flavour to the festival. Making a first appearance at the festival will be the renowned City of Truro Male Choir; with them will be soprano Sheila Skinnard.

Not something to be missed! Then there is folk music from Feague all the way from

History of Landulph Memorial Hall.

To provide a Memorial to the men of the Parish, who served their country in the Second World War, Landulph Parish Council had the idea of building a Village Hall. A public meeting held in May 1947 confirmed the idea and fund raising started in earnest.

A piece of land near the Cargreen playing field was purchased for £20 and the Trust Deed was drawn up and signed 26th July 1951, by the Chairman of the Parish Council.

According to the Parish Council minutes, a constitution was drawn up, to include the 12 organisations in the Parish. The first AGM was held in January 1952. It became a registered charity in July 1956 and £2087 had been raised by that time.

By 1969 it was felt that the site was unsuitable because of access, so the Parish Council set about finding another site and was offered the present site for £600, the previous site being sold back to the owner.

The full cost of the hall was £12700; a grant of £6240 was obtained from the Ministry of Education and Science, £1200 from Cornwall County Council and Landulph Parishioners raised £5260.

The 1st turf was cut 28th Feb 1970.

By this time there was a lot of unrest in the Parish that the hall would not be able to run itself and would have to be supported by the rates. This prompted one of the councillors to organize a petition, which was worded: -

' WE, THE UNDERSIGNED ARE IN FAVOUR OF A MEMORIAL HALL PROVIDED IT IS NOT A CHARGE ON THE RATES'.

231 out of 268 parishioners signed.

This caused a lot of interest in the press and television; however it paid off as it made everyone more determined to keep fund raising to pay for the running costs.

The Chairman of Cornwall County Council, the late Alder K J Foster, finally opened the Memorial Hall 19th September 1970.

Fund raising and interest free loans paid for the annexe and snooker room, kitchen extension and double-glazing in the main hall which were completed in the 1980s.

1995. £28000 was raised in grants to extend the annexe for a store and toilets including disabled. Also the car park surfaced with tarmac and white lined for 47 car spaces, the project completed in 1996.

1997. Central heating was installed in the main hall. A new roof and replacement Upvc windows in the annexe, and snooker room, together with a security door, with the help of £9500 grants and an interest free loan of £3000 from CRCC, paid back over 3 years.

1998 Tables store was added between the main hall and annexe.

2000 Internal marquee donated by Party 2000 millennium group.

2001 A lottery grant of £19200 paid for the replacement of the wood floor in the main hall and a suspended ceiling, together with insulation in the annexe walls.

2002 Awning fitted to main hall over patio, PA system with hearing loop in main hall and annexe funded by £1000 Pirate Radio and £5000 Awards for All.

2003. An extension was built to facilitate a disabled toilet and the flat roof at the front was replaced with ridge at a cost of £47000. With the help of Caradon grants officer £34000 was secured by grants. The remainder raised by own funds and an interest free £5000 loan from Caradon paid back over 5 years.

2004. All curtains replaced including stage.

The hall, which includes a weekly doctor's surgery, is a valuable well-used facility for this parish and surrounding area.

Cargreen Broadband

There have been new developments from BT, using a MAXdsl line and it is possible to connect to Broadband using this type of line.

MAXdsl allows more flexibility in speed. It is the ability to drop below the 0.5 Mbps speed of ADSL that has the potential to offer greater range from the local telephone exchange.

BT Wholesale sells this product to the ISP, and unlike ADSL where the ISP requests the speed, MAXdsl supplies the ***fastest speed the line can support*** within the above range.

www.elipse.co.uk offering a package for £14.99/month called **Evolution**.

This is a free set up (including equipment) on an annual contract.

Even though you may have tried to order before on an ordinary ADSL line, please give it another try on the MAXdsl line. If you would like to give it a try, please go to the link above and set up an order. Speeds between 1MB and 500 Kbps are being obtained. If you would like any further information please contact : sylvia@bedbrook.co.uk or phone 01752 844519.

Sylvia is assessing the success or failure of the provision of Broadband to the parish and would appreciate information on parishioners experience .
