Your guide to what's happening in the area

Parish Council Meetings

20 September 2010

It was reported that: repair work is needed to the playing fields; hedge cutting duties revert to the Highways Authority, a mini crime wave has largely passed Cargreen by, there will be consultation on the Parish Plan in December and the Council will not be buying salt and grit for Landulph's roads. The Yacht Club's application for an overflow car park was approved.

James Jermain

18 October 2010

You remember when the cinemas of our youth showed a "B" movie before the blockbuster? Well, this meeting was a bit like that, with a capacity audience shifting restlessly in their seats while the routine business was transacted (Bill Langdon will paint the phone box, a local farmer will grit icy roads, etc). Then came the **Spaniards Inn** planning application with an extended Open Forum in which several parishioners expressed their objections, citing traffic, parking, flooding, loss of amenity, noise, failure to address previous reasons for refusal, *et al.*

Council Chairman Andrew Butcher then had Council approach a recommendation by first of all referring to the Material Planning Considerations document, and explaining that it provided guidelines on the limited list of matters that were of primary

relevance. He then went through these matters patiently and thoroughly, so that at the end of possibly the longest single-issue planning meeting in the history of the parish, there was a unanimous vote to recommend refusal. Under his gentle chairmanship, the meeting was even-tempered, the outcome popular, and (a first in my experience) earned a spontaneous round of applause.

Exeunt omnes, smiling.

Morton Macleod

15 November 2010

There's so much else to cram into this edition, so in brief – Council approved a contribution towards costs of new "Trim Trail" play equipment at Penyoke: will now advertise for two new councillors as there have been no volunteers: will recommend that Landulph's precept (their own spending budget) will not increase next FY.

In Planning, they recommended approval, with conditions, for

Construction of barn/stables, at Stockadon Farm, St Mellion, and made no recommendation re tree trimming at 7 Hoddors Way, Cargreen.

They reported that Planning Officers had refused permission for development at the Spaniards Inn.

There's just room to report that council has an allocation of funds

for production of the Parish Plan, some of which can be spent on entertainment. Since part of December's meeting is devoted to the Plan, the chairman wondered whether sherry and mince pies would be in order. The room collapsed in laughter when one of his colleagues asked if he could have a magician as well.

Morton Macleod

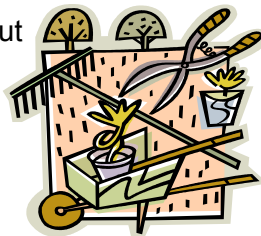

Parish Plan – have your say

The Parish Plan Steering Group would like to have your comments before the Plan is sent for printing. The Parish Council will set aside the last part of December's Council meeting for discussion, and copies of the Plan will be available for scrutiny throughout the meeting. The Plan aims to summarise the most important issues that need to be addressed in the parish in the next five years, and the meeting aims to obtain public agreement that all necessary topics have been gripped. In summary, topics covered include:

- Annual review of need for affordable and sheltered housing
- Business details on parish website
- Contribute to County transport policy
- Convene 'green' symposium
- Communication from Cornwall County
- Create Community Interest Company
- Development of small businesses
- Encourage recruitment of First Responders
- Enhanced parish website
- Ensure timely hedge cutting
- Ensure viability of Memorial Hall
- Install signs where public may access the river
- Improved internet access
- Improve recreational facilities for teenagers
- Influence Road Safety Committee
- Local employment by local businesses
- Maintain footpaths
- Maintain existing conservation and development areas
- Maintain and renew playground equipment
- Permit limited development of affordable and sheltered housing only
- Petition for better provision of NHS dentistry
- Preserve landscape & environment
- Provide allotments
- Provide community composting
- Public bus service
- Support re provision of pub, shop, post office

To see the draft Plan and have your say, please come to the Parish Council meeting on Monday 20 December at 7.30 pm.

Landulph Parish Council would like to lease about half an acre of land to satisfy local demand for allotments. If you can help, please contact the Parish Council chairman, Andrew Butcher, on 01752 844302, or email him at andrewjo@katisha32.demon.co.uk

Landulph Methodist News

The Harvest Festival Service held on Sunday 26 September was taken by the Chairman of the Cornwall Methodist District Rev Steve Wild who amused the congregation with his puppets. Tea followed the service. On Monday evening Marguerite Smith preached. Instead of the usual auction of produce, everyone was asked to take what they wanted and leave a donation. This gave more time to enjoy supper which Peggy and her helpers had prepared.

The Sankey evening on 23 October was chaired by Julian Langston with organist Paul Fry. A Sankey hymn was chosen by each church and sung with gusto. The evening concluded with a pasty supper.

The Soup and Sweet lunches held on the first Wednesday of each month are still popular, next on Wednesday 1 December. Don't forget the Annual Carol Service held on Sunday 12 December at 3 pm. Everyone welcome.

Derriford Hospital

This is for all those who use Derriford Hospital now or maybe in the future.

To save the frustration of attempting to find a parking spot in the hospital grounds and to save the fee of the hospital car park, you can use the once an hour bus number 152. This bus leaves the terminus at Roger Young's roundabout on Liskeard Road, Saltash at 08.18 then 09.28 and then on the hour until the last bus at 18.35. The journey takes 30 minutes the bus stops outside the hospital entrance so one only has to walk 50 yards.

Once the bus leaves the terminus it proceeds to the lights at Burraton then along Callington Road then down Fore Street stopping at all the usual bus stops. If one takes a car to the Free Car Park at the Leisure Centre then you only need to walk out into Callington Road and catch the bus opposite St Ann's Home or in Fore Street.

The return bus number 152 leaves the hospital at 3 minutes past the hour every hour with the last bus at 18.10.

Community Christmas Walks – Monday 27 December

The time has come to make a note in your diary of this lovely de-stressing post Christmas activity, when you can enjoy chatting with all those you have not had time to catch up with over the Christmas rush and get some fresh air and exercise at the same time.

Once again we will be starting all the walks from the Cargreen Yacht Club, where home made soup and a roll and a Cornish pasty, and soft drinks, will be available for a modest charge at the finish.

We hope there is a choice for everyone – stompers and striders or strollers. The longest walk starts at 10.00 and is approximately 7½ miles. The middle walk starts at 10.30 and is approximately 3½ miles, and the short option is 1½ miles and leaves 11.30. Please come in footwear that will cope with the almost inevitable muddy places and you may find a stick very helpful where it is slippery.

Talk to me, Richard Bowman, David Erskine, Marcia Pirie or Reg Rice if you want any further information. This village day is always popular and well supported. The home made soup and the pasties after the walks are much enjoyed and we have accumulated a small profit from the catering efforts. We want to plough this back into the community, therefore we have made a donation to the Landulph Memorial Hall, and to the Landulph Newsletter.

Landulph Big Christmas Market & Shoppers' Supper Friday 3 December 6 - 9 pm Landulph Memorial Hall

The Christmas market is just around the corner. It will be bigger and better than last year and we have been very fortunate to get Saltash Sports, The Bookshelf and Driftwood Gifts from Saltash to join us as stallholders.

Home made soups will be served, speciality bread, mince pies and mulled wine to give you some energy for plenty of shopping!

This is a fundraising event for the Hall but we will be charging a 50p admission (children free) as we will be making a separate donation to 'Childrens' Hospice Southwest'. There will also be a raffle and the winner of the 'Best Tasting Home Made Mince Pie' will be announced on the evening.

Landulph Memorial Hall

40 years ago, on September 19 1970, Landulph Memorial Hall was officially opened. This year, on September 18 we celebrated with a buffet lunch, when 55 people sat down to a cold collation. In the evening, celebrations continued with a family barbeque and children's disco. It was really heartening to have so many of you help us clear up afterwards. Thank you.

£290 has been received by the Hall from the Waitrose Community fund and a donation from the footpath group has also been received. Thanks to both. We are also grateful to those in the parish who do small maintenance jobs that help with the smooth running of the Hall.

Hall fees have been revised, and the new rates are available on the Hall noticeboard.

And there's more fun to come....We'd love to see you at a St Piran's Day event on 5 March 2011: details to be announced in February's newsletter.

Jo Butcher

Chairperson Landulph Memorial Hall Management Committee

Cancer Research Fundraising Group

It started as a casual conversation: *'We have done evening events and afternoon tea, what we need to do now is a lunch time event, so how about Sunday Lunch?'*

We are a committee of six so this seemed daunting.

However so many others offered help that we were able to cook for and seat 78 people for Sunday lunch. Even with waitress service.

Cancer Research UK benefitted with the sum of £936 being raised on the day.

Thank you to all you came, who helped, made donations and supported the cause.

New Year Party Called Off

The organisers of the New Year's Eve party planned for the Memorial Hall this year have cancelled the event. It seems many parishioners will be away and there are other events being planned as well.

Landulph Under 5's

Thank you so much to everyone who supported our Halloween Party. We had over 50 children and much fun was had by all. The disco-dancing,

mask-making, face-painting and cake-eating were some of the highlights and the children looked fantastic in their fancy dress costumes. The funds raised are going towards some new numeracy equipment for the children. A big thank-you goes to the Pre-School staff and Committee for making it all happen.

Pre-School had a great time at Landulph School listening to the singing and the music. It was such a lovely occasion and the children all performed fantastically. The Pre-Schooler's were on their feet dancing and joining in. We all really enjoyed visiting the Rectory Room to look at the artwork. Many of the children were particularly taken by the chicken pictures!

During October we invited some of the old Pre-School staff into Pre-

School to celebrate 40 years of Landulph Under 5s working in partnership with Landulph Memorial Hall. We all enjoyed looking at the old photos and a cup of tea and a 40th anniversary bun. The children had a lovely time and the Cornish Guardian sent a photographer. Thanks to Carolyn (our esteemed Chair) for organising it all and making the lovely cakes!

We are still looking for some willing volunteers to help us out, could it be you? Please contact Sarah on 840093 if you could spare an hour every now and then.

Sarah Hopcroft

Rectory Room Art Group

We are a self-help group of people who put aside Tuesday afternoons (2.00 - 5.00 pm) to work on paintings and other arty things, chat a little and drink a wide variety of teas. We occasionally invite a professional artist to give us some extra verve. We would welcome any one who would like to give us a try. Enthusiasm is more important than talent!

Our next meetings before Christmas are on 7 and 14 December and the cost per week is usually £2 per person. We start again in the New Year on 4 January and are planning a group project for 18 January.

Contact Trisha 842533 or Jane 844811 if you would like to join us.

Landulph School News

We have a number of fund raising schemes in place at the moment that you might be able to contribute to without it costing you a penny!

• In early January 2011, we will have a '**Bag to School**' collection; this scheme collects any unwanted clothing, soft furnishings and shoes and pays the school a fixed amount per kilogram for items collected. The items are sorted and given to underprivileged people in the UK and abroad. So why not have a sort out for the New Year? Bags can be delivered into the school garage any time over the autumn term.

- **Empty ink cartridges** from Hewlett Packard, Lexmark or Canon (BC01/02/05 06/20, BX2, BX3) can be recycled for school funds, so rather than throw them away, next time you are passing the school drop them into the school office.
- We can accept **unwanted CDs and DVDs**, originals only, in good condition (no smashed or badly scratched items), in the original case, with a readable barcode. Sorry, we are unable to accept copied or blank CD's or DVD's, computer disks or promotional items from newspapers or magazines, CD singles or computer/console games.

A night of Christmas music

The PTA will be hosting a night of Christmas music on Thursday 16 December at 6pm in the school hall. Keep a look out for further details on the school notice board and website.

Marie Beaven-Smith
School Secretary

School Christmas holidays

Landulph under 5's and the Memorial Hall committee are planning some children's entertainment. It is hoped to arrange a children's film show at the memorial hall in the first week of the school Christmas holidays.

It's only in the planning stage so watch the parish notice boards for more details.

Carolyn Pickard and Jo Butcher

Landulph Festival of Music & the Arts 2010

The Festival committee would like to thank EVERYONE who worked so hard to make this year a success. There are too many to name individually, but we are extremely grateful for all your hard work. Thank you also for the comments we've received:

Classical Accordion: An incredible talent to have performing in such a small village. *Anne & David Erskine*

Barn Dance: I have never done it before. I intended to just watch but was "encouraged" to join in. It was informal and fun. Thought I would make a fool of myself but we all just had fun together. *Paul Gorham*

Art Talk – Weather Report: It made me look at the environment with a more focused artistic eye. *Don King*

Poetry Workshop: The best event of the whole Festival for me! A bit like a therapy session – you have to be honest about your feelings. *Jane Espig*

Poetry Evening: I like the personal angle: people explaining why they've chosen or written poems. *Jane Espig*

Lunchtime Concert: The Methodist Church venue is ideal – intimate for a recital and the type of music. *Jill & Richard Taylor*

Mad Dog McRea: Started with a burst of energy. Exciting, lively, and soon the whole place was rocking. I have never seen so many people from the village having so much fun together. *Paul Gorham*

Jazz: A shame about the numbers, but it was very good. *Jill & Richard Taylor*

Film Club: It's good to have a monthly Film Club with a large screen. *La Vie en Rose* was superbly acted and the scenery was very evocative of Paris pre-war. *Penny Singleton*

Gardening Club Talk: This was an unusual topic (the gardeners of Heligan who went off to war in 1914) told with real sensitivity and the speaker was obviously enthusiastic about his subject. *Jen Hambly*

Village Night: A splendid hotch-potch and Nigel Johnson was amazing – a hidden talent. *Jane McRill*

Art Exhibition: This year's Art Exhibition was even better than last. It's good to have things that are of interest to the children as well. *Penny Robson*

Saltash Cricket Club News

Cricket at Landulph has been secured for another ten years. Following talks with the Parish Council, the lease to Saltash Cricket Club of the Searle Memorial Field was renewed. (Despite a suggestion at a Parish Council meeting that the ground be turned into allotments!)

The 2010 season saw Saltash first team finish sixth in Cornwall Division 3 East. After a very poor start to the season, which only added weight to the allotment suggestion, the team finally found a decent run of form winning eight out of their last ten matches. Chris Simpson hit a new club record of 162 at home against Wadebridge in the final game and skipper Ross Braund led the way with 37 wickets for the season. The second team built on last year's success and finished third in Division 7 East which may ensure a deserved promotion to Division 6. Mhyrden Major, their star batsman, hit three centuries in six matches and helped set a new club record partnership of 254 with Justin Hemmings .

Sadly John Launchbury and Maureen Gale (Mo) passed away during the season. Both provided a huge amount of support to the club and will be sadly missed. A bench has been purchased by the club in memory of John, a former Club Secretary. This will be placed just inside the entrance to the ground for all visitors to use.

All are welcome to see us in action next year. Our fixtures and results can be viewed online at saltash.play-cricket.com.
