Landulph Parish Council

March 2013

The importance of the new National Planning Policy Framework was highlighted by Vice-Chairman Gerry Stevenson speaking at the March Parish Council Meeting. He said the parish should consider what sort of development it might accept in the area. He explained that if a Parish working group produced proposals that were accepted locally in a referendum, there would be a presumption that these would go ahead if a developer wanted to build in the parish.

In other business, the council was told that agreement had been reached on an improved entrance to the cricket field and work would begin shortly. Equipment at the playing field is now being checked monthly by the council members in addition to the annual professional inspection. Quotes for improving the football pitch have been accepted and this work will also start shortly.

The date of the Parish Council elections was announced as 2 May and Candidate Packs were handed out to all councillors wishing to be nominated for re-election. County Council elections will be held on the same day.

In the planning meeting approval was given to a tarmac road at the entrance to Valley View Farm (now already built) and to the erection of three osprey poles on the Pentille estate.

The next Council meeting will be on 15 April and will be the last for the

New regime for the Parish Council

Landulph moved out of the Butcher years and into the age of Stevenson on Monday 20 May. The old Parish Council, chaired by Andrew Butcher closed for business after the Annual Parish Assembly and the new one took over during the following May monthly meeting. The councillors had all been returned unopposed except for Andrew Butcher who retired to spend more time in New Zealand. Gerry Stevenson was elected to fill his shoes. Andrew's retirement left a vacancy on the Council and, remarkably, there were two nominations for co-option.

In a ballot Euan 'Mac' Armstrong was elected. Gerry Stevenson paid tribute to Andrew's work for the Council and Parish over many years and wished him well in the future.

There were many overlaps in the business of the April and May meetings and the Annual Assembly so these notes will deal with them all together.

The prospect of some form of affordable housing development in the parish is becoming more likely. In November the Council heard of a proposal to build on the Barratt field behind Coombe Drive. At the May

meeting they heard preliminary details of plans by Cavanna Homes to build an unspecified number of houses on land at Rosehill Nurseries. It is unlikely that any concrete proposals will appear until the autumn. Cornwall Council Affordable Housing Team Leader, Andrew O'Brien said the County wanted to build 1,000 affordable homes a year. The need for such housing in Landulph was not clear though. Seven people are on the Home Choice Register but a recent Housing Needs survey indicated 17 households with a housing need. All or none of these may actually require housing in the parish. With Cornwall demanding 50 percent subsidised housing in all developments, to provide say 10 such units, a developer would have to erect 20 dwellings. Gerry Stevenson said the building pressure meant it was vital the Parish drew up a Neighbourhood Plan so that it could retain control of development and direct any housing to the sites parishioners considered most suitable.

In Andrew Butcher's final annual report the regular topics of potholes, grit bins and broadband featured. Andrew said he was so keen to see a Parish Council website established he was prepared to make a personal contribution. One of the things the site could do, he said, was display standing orders and councillor's duties and responsibilities which would help explain things such as the voting for

the Crooked Spaniard development.

In other business the Council was delighted to report it had moved the goalposts – the recreation ground goalposts, that is, and reseeding had taken place. More pot holes were reported.

Gardening Club members may be delighted to hear that there are plans to put up a barrier on the corner at the foot of Ziggerson Hill, where several members famously ended up in a coach suspended over the bank.

The Parish had a slight surplus at the end of the financial year which, added to existing reserves brings these close to the permitted upper limit.

No crime has been recorded in the Parish.

The new Cornwall Councillor for our ward, Daniel Pugh, attended the meeting.

INTERNATIONAL LITERACY DAY Saturday 7 September

Last year Plymouth Soroptimists gave away almost 2,000 books to people who could not normally afford books. This year we aim to top that figure. If you have any books that you would like to donate, please leave them on my porch at Laxtons, Penyoke. We will be very grateful for any donations of books.

Big Breakfast There is a report about this elsewhere in the newsletter but I wanted to say a big thank you to Felicity and all the helpers who helped make this a very happy event.

Next Generation The project which plans to convert the redundant snooker room into purpose built accommodation for the preschool and toddlers is

ongoing. Planning permission has been granted and we now wait to see the results of the grant applications.

Don't forget, a wheelchair is available to borrow from the hall store room.

Barbeque June 29 It's a do-it-yourself affair. We provide the barbecue and disco to keep the children amused. You bring your own food and drink. There will be an entrance donation to cover the cost of the disco and to fund raise for the Next Generation project.

Bring all your friends and neighbours

Time 5pm till the barbie's cold –

More details on the notice boards.

Treasure Hunt planned for July 14 has been moved to September.

Booking Clerk email address Bookings for the hall can be made by emailing

landulphhall@gmail.com

Marquee At the time of the millennium the hall committee purchased an internal marquee which can be hired for parties, weddings etc. For 13 years Philip Braund has climbed the ladders and put the marquee up. He would like to pass this duty onto someone else. I hope there is someone who will volunteer to do this. The marquee is put up about 6 times a year. Please contact me if you are prepared to help.

Coffee and cakes will be available at the Memorial Hall during the **GIANT SALE TRAIL**, organised by Landulph Under Fives Pre-school on Sunday 9 June from 10am to 2pm.

WANTED

Some help for large garden that is getting away from me! A couple of hours a week would probably be enough to help me keep it under control. Any age considered, as long as you know a weed from a wallflower.

Cargreen Cadets off to a flying start

Many parishioners will have seen fleets of dinghies milling around on the Tamar off Cargreen on Friday nights. These are being sailed by members of the Cargreen Yacht Club Cadet section which started its season in April and has now completed several successful training and fun sessions. After a difficult winter during which a shortage of instructors threatened the future

of the section, the Cadets now has a full set of instructors and a nearly full list of members. However, there are still a few places for youngsters who would like to start sailing or improve existing skills. Minimum age is 10, maximum 18. Contact Cadet Officer, Colin Plumb (01752 842941) or Commodore, James Jermain (01752 847546)

Landulph Under 5's Pre-School

We are pleased to welcome Claire Roberts-Price who is our new Deputy Leader. Claire started after Easter and is settling in well. We offer a big thank-you and farewell to Tia for covering after Jayne's departure.

Claire Roberts-Price

Our New Topics this term are growth and life cycles. Hopefully the weather will be warm and we can plant some seeds in the garden for observation and eating. We will also be showing the children how to look after what they have planted to keep them healthy and how this relates to us. Donations of Lavender, herbs, sensory plants and strawberry plants would be much appreciated. We will be planting them in Pre-School's raised flower beds. This will run alongside other themes the children are interested in such as dinosaurs and colour mixing activities. We are also hoping that by the time you read this we will have our new Playhouse restored into the Pre-School garden area.

Pre-School really enjoyed the Easter Egg Hunt at School and Daisy Pearson won the Easter Colouring Competition – well done Daisy!

We are all looking forward to the 'Great Cargreen Sale Trail' on Sunday 9 June and hope as many of you as possible will take part, turn up and support us.

Derriford Bus

The 152 bus (hourly) has been taken out of service and replaced by a half hourly service number 30 which now starts from Pilmere (behind Lidl) at 02 and 32 past every hour.

It still takes the same route as the 152 and passes St Anne's care Home at 07 and 37 past the hour, the swimming pool car park is one of the easiest places to leave your car.

Free Bus Passes

If you are over 60 and wish to apply for a Free Bus Pass go to our local "One Stop Shop" at Saltash library with either a driving licence or a passport plus proof of your address.

They will take your photo and will help to fill in the application form.

Landulph Market & Big Breakfast

Saturday 11 May saw the return of our Market and Big Breakfast. I tried my hardest with the road signage but the weather made it very difficult as I am sure you noticed! Even so, I was very glad many people still found their way to the Hall. Although rather occupied on the egg frying station it was great to see so many of you having your breakfast and chatting to your neighbours. The 19 stallholders in the Hall and Annexe were kept very busy, not forgetting Paul Atkins' Fishmonger with his van in the car park. The array of flowers and plants from Landulph Gardening Club and Blooming Baskets was wonderful and a huge thank you must go to Alison White for donating her plants to the event. The team of helpers were amazing, setting up on Friday night, taking the orders, cooking over 120 breakfasts, serving teas, coffees & orange juice,

waitressing & washing up, collecting stall money and donations, organizing the raffle, the list of jobs are endless. Thank you also Jason Reep for risking life and limb getting our new banner up on the main road! Anyway it was all worth it we raised a brilliant £250 for MacMillan Cancer Support and just over £450 for the Redevelopment of the Under 5's Facility in the Hall.

The £250 will be passed on to Becky Reep who will be continuing the fund raising for MacMillan when she competes in a triathlon in London in July.

Please put Saturday 30 November in your diaries for the Landulph Christmas Market & Big Breakfast when we will do it all again, hopefully even better. Thank you everyone for your generous support.

Felicity Wyman

Cargreen Kidz Club

We have had a busy time over the last few months, talking about and taking part in different ball games. Team games included an obstacle course using tennis and hockey skills and culminated in an exciting game of dodgeball which left the helpers exhausted if not the children!

In March we were very lucky to be invited to St Mellion for an hour's fun

golf session with the new Junior Pro, Jason Avery. Having learnt the basics of a golf game, the kids showed great skill at chipping on the driving range. Various games culminated in a team event in which Team McIlroy were narrowly beaten by Team Woods – helped by a few excellent drives by Jason! The children all had a great time and learnt a lot so many thanks to Jason for his time and expertise.

The next Kidz Club session is to be hosted by Tom Wyman at Saltash Tennis Club on 22 June. Tom has a lot of experience teaching children tennis in a fun and varied way– watch this space for the next Wimbledon stars!

More fun and fitness is planned for the summer with an introduction to indoor bowls and table tennis as well as the usual circuit training and games. All children between 7 and 12 years are very welcome to join. Please contact Carolyn Pickard on 01752 848983 for more details.

News from Landulph School

We are delighted to report that following an extensive interview process that took place over two days in early May and included a rigorous question and answer sessions with the school council that Mrs Esther Best has been appointed the new Head of School from September 2013. Mrs Best comes to us from Mount Wise Community Primary School in Plymouth where she is a deputy head and is very much looking forward to joining Landulph School.

The PTA is making a very generous donation to the school, which has enabled us to arrange a whole school educational visit to Paignton Zoo in July. The PTA is able to not only pay for the coach hire but also the zoo entrance fee. The visit to the Zoo will also include three teaching sessions with the zoo staff.

You are more than welcome to join us for our annual Sports Day that this year will take place on Thursday 11 July commencing at 1.15pm with the reserve date of Thursday 18 July at 1.15pm, we are really hoping for fine weather.

You may have seen the information that Landulph School is becoming a Multi Academy Trust school with Saltash.net. One of the many benefits for Landulph School will be the access to the numerous resources available at Saltash.net. Overall we hope that you will not see any difference when the pupils return to school in September and that your local primary school is still a large part of your local community. The date for conversion has been amended to 1 September due to delays within the Department of Education.

Methodists' Famous Organ Repaired

The 139th Anniversary service on Sunday 12 May was taken by Canon Andrew Wilson. Tea followed in the schoolroom.

The pipe organ has undergone remedial work to the blower motor which burnt out during a service in February. Also, on inspection, live woodworm was discovered in the organ and 56 pipes in the Carabella stop had to be removed and taken back to the workshops in Leicester for repair. For several weeks we held our Sunday services in the schoolroom. £1,000 now has to be raised to cover the costs.

Don't forget the Car Treasure Hunt, on Saturday June 15 staggered start from the car park at 5 00 pm. Supper will be served from 7.00pm, anyone not able to go on the treasure hunt will be welcome to the supper.

Barry and Karen Richards' gardens are open on Sunday 4 and 18 August from 1.30 pm to 5.30pm. Cream teas will be served in the Methodist Schoolroom from 2.00 pm to 5.00pm.

Proceeds of these teas and the Car Treasure Hunt are for the organ repair fund.

Landulph Good Companions

Eric Distin valuing our antiques was our first speaker for 2013. Unfortunately Sue Evans accordionist couldn't come to our March meeting so time was taken up with AGM business. Ted Webster was re-elected as Chairman with Christine Dunn as Vice-chairman, the committee remains the same.

'Hearing dogs for the deaf' was well presented by Judy Vine in April.

Our first coach trip was to Dartmeet for lunch then over the moor to Castle Drogo. We were lucky as it was a beautiful sunny day. We now look forward to St Ives in May and a boat trip up the Exe in June.

At our June meeting Allison Gribble will demonstrate how to cook meals for one or two. In July we welcome James Lynes with a talk about Hill House & Co 'Old Hats'. In August Harry Sinnett will talk on 'From tree to table', an insight into wood tuning, Dr David Price with his wonderful photography of the Tamar Valley joins us in September and Chris Robinson, Plymouth Historian, in October.

Come and join us, we meet on the 3rd Tuesday of every month at 2.30 pm in the Memorial Hall. Give Doreen a ring 01752 845495 or Mavis 01579 350385 for a programme; you will be given a very warm welcome.

Landulph Gardening Club

At last some pleasant gardening weather and things are beginning to happen!

On the bureaucratic side of the Club, Jo Butcher has now officially "retired" from the Committee. We are all very appreciative of her efficient organization and gardening enthusiasm. Programme Secretary will be taken over by me (subject to vote at the AGM in November) which will leave the Chairman's position to be filled. Our meeting for Wednesday 12 June, is an evening visit to an old walled garden at Maristow (originally the kitchen garden for Lord Roborough) where Jenny Turley Price will give us a short talk before we look around. Meet at 6pm at the Landulph Memorial Hall to car share and drive to the Tamerton Foliot area. For Wednesday 10 July, we are planning a 'safari' to local gardens. Meet at 6pm at the Landulph Memorial Hall to car share or walk. There will be no meeting during August.

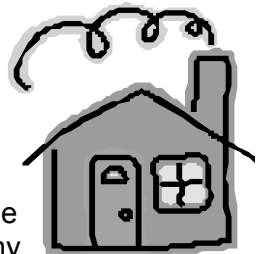

I look forward to seeing you at these events - visitors welcome as well.
