Your guide to what's happening in the area

Landulph Parish Council

Following the recent council elections, at the annual meeting of the parish council in May, I was elected as chairman, and I am delighted to say that Mac Armstrong was co-opted as a councillor, bringing the council up to full strength. Best wishes were offered to Andrew Butcher, the outgoing chairman who had valiantly steered the council through the preparation and adoption of the Parish Plan in 2010, and some difficult planning decisions. We shall miss his enthusiasm and leadership.

We were also able to welcome our new Cornwall Councillor, Daniel Pugh, to the meeting.

We can consider the meetings in June and July together, as the important items for discussion remained the same. Following Andrew's earlier initiative, the council had a presentation on the development of a dedicated parish website, and agreed to go ahead using the services of WesternWeb Computer Services who have installed similar town and parish websites elsewhere in Cornwall.

In the meantime, the council is pressing ahead with the preparation of formal standing orders which will govern the way in which its business is conducted in the future.

Parishioners will no doubt have noticed the fine wall built at the entrance to the cricket field, and thanks are due to Jim Clouting who

so generously contributed to its construction costs.

At the recent meeting of the Saltash Area Road Safety Committee, it was stated that the solid white lines from Homeleigh Cottages should have been double all the way to the Stockadon turn-off, and the Committee is continuing to press for the work to be properly completed. Cornwall Council is also expected to construct a barrier at the bottom of Ziggason Hill to prevent any recurrence of the accident last year when a bus carrying members of the Gardening Club ended up overhanging the stream.

We are continuing to press Cornwall Council for more and better pothole repairs, but the message coming back is that they are doing the minimum possible in efforts to reduce their costs.

The goal posts in the playing field at Penyoke have been resited and the damaged areas have been repaired and reseeded. The pathway between the hedge and the fenced children's playground has been cleared, and further maintenance of the equipment is under consideration. Thanks are due to those councillors who have voluntarily given their time and effort to effect repairs and maintenance. Any parishioner who notices matters for improvement should let me know, and volunteers to carry out any improvement works will be welcome.

Parish Clerk

It is with regret that I have to tell you of the retirement of our parish clerk, Chris Harris. Chris has served the parish well over the past four years, and I speak for the parish council as a whole in saying that we have valued his sage advice, help and contribution to our parish affairs. Thank you, Chris!

However, we now have a vacancy to fill. The position will be advertised shortly, but if anyone knows of someone who is appropriately qualified, who may be interested in a part-time position, please ask them to contact me at gerrystevenson@ukgateway.net.

Newsletter Group AGM

The Newsletter group will be holding its AGM at 7.30pm on 24 September at 'Tamarisk', Fore Street, Cargreen (opposite the pub). All are welcome to attend. If anyone is interested in joining the group please come along and have a chat. Fresh ideas are always very welcome.

Landulph Memorial Hall

Next Generation We were very excited when the first grant application for the project was successful (from Cornwall Community Foundation) but downcast when the second was turned down. We are awaiting the results of another application before we start on any work.

Raffle A grand raffle is planned for the autumn to help fund the above project.

Marquee Many thanks to Nathan and Steve, who have volunteered to be responsible for putting up the marquee when it is needed and to Nikki, who has volunteered to wash the marquee panels.

Front Garden Thanks to Ann Hall and Shirley Kitney, who have been weeding and pruning the heathers.

Booking Clerk Eail address is landulphhall@gmail.com

The Giant Sale trail was a great social success, with other people's rubbish being relocated to other people's garages. There was a small financial profit for the hall and under 5s.

Solar Panels They continue to provide us with an income. which is good. This current spell of sunshine is helping to boost the amount of electricity generated.

Big Breakfast Felicity is planning to run this again on the last Saturday in November which, is November 30, so put it in your diary now.

Tai Chi, now and in the autumn

You may have noticed (if you haven't, we've included a photo Gideon took earlier!) that for the summer Tai Chi is taking place from 10 till 11 on Wednesday mornings. If the weather proves too unreliable we use someone's house. Do phone me on 01822 258415 if you want to check where. We shall be returning to Landulph Memorial Hall on Wednesday 3 September at 10.30am. (We follow on from Adele's tap class, organized by Kirstie Evans, which starts at 9.15am.) Looking forward to seeing you, even if you only come to watch.

Cargreen Cancer Research UK Fundraising Group

A Slice of Summer, which took place at Landulph memorial hall on Saturday 20 July, raised £1200 for Cancer Research UK. The sun shone, a summer buffet was on offer, Cornish Jam played and we all had a good time. Very many thanks to all who helped in preparing the food, or attended the event, played the music or sent donations.

Pam and John Boughton would like to thank everyone for the cards and good wishes on the occasion of their Diamond Wedding. Your kindness is very much appreciated as is our acceptance into the Village.

Landulph Under 5s Pre-School

Pre-School has had a busy time fundraising; we started with the Mayday Disco raising £100, we raised £40 at the Big Breakfast and a phenomenal £180 at the first Cargreen Sale Trail (see below). Thank you to everyone who supported these events. Fundraising is a massive part of running the Pre-School and we couldn't survive without it.

We will be saying goodbye to Lottie, Oscar, Billy, Jensen, Daisy and Zara this term. They will be starting school in September. We wish them well! We're sad to report that Claire, our new Deputy, will not be returning to Pre-School. This was a surprise to us all, but

we're pleased that Deborah (Reuben's granny) has agreed to fill in for the summer half-term.

We are pleased to inform you that our new website is up and running, www.landulphunderfives.co.uk. This has been created for us free of charge by Oxinternet Ltd, a new website management company. They are a local business very keen to support the local community. If you would like any further information about their services then please contact jon@oxinternet.co.uk or visit www.oxinternet.co.uk.

We have recently held our AGM and have had a reshuffle. Sarah Hopcroft, Chairman, and Jacqui Keay, Treasurer, have retired from the Committee and the new Chairman will be Clarissa Newell, Vice-Chair Carly Fordy and Treasurer Jo Pearson. Massive thanks go to Jacqui for all her hard work balancing the books! This will be my last newsletter entry as the retiring Chairman and I'd like to say a massive thank you to all those who have supported Pre-School over the last 2 years, particularly Jo Butcher.

The First Great Cargreen Sale Trail

On a sunny Sunday on 9 June, Landulph Parish came together to raise funds for Landulph Under Fives' Pre-school and Landulph Memorial hall by holding the first 'Great Cargreen Sale Trail'. Residents, including the Pre-school children, manned stalls around the village in their front gardens, on their driveways and in their garages whilst visitors and locals followed their 'Sale Trail Map' round the streets, looking for a bargain. There was something for everyone from face paints and ice creams to old outboards and art work! Grateful thanks to all who supported it by donating, buying or holding a pitch, it was a lovely community event and raised around £200 for the Pre-school. We rely heavily on the money raised from our fundraising events to keep the Pre-school running and your support is always appreciated by the committee. Expect an even bigger and better Cargreen sale trail next year!

Wreckers on the Quay

A night of Wrecking at Slipway Quay, on Thursday 25 July was enjoyed by a host of villagers and visitors alike with dancers and musicians from Wreckers Border Morris. Wreckers, who hail from up and down the Tamar Valley visit a pub nominated by one of its members each summer Thursday. This year and last, although not outside a pub, the Morris side has danced on the Quay kindly made available by Nigel Johnson. Thanks to a band of volunteers, the Quay was made ship shape and almost Bristol fashion. The tide was high so added to the ambience of the evening and fine weather, a bangin' drum and melodious melodeon encouraged householders to the bottom of Fore Street. Refreshments were laid on and the crowd were encouraged to join in a couple of the dances. The last dance, a folky Hokey-Cokey '*Shepherd's Hay*' was a favourite. Our parishioners of a musical bent banded together in an après-Morris music session that filled the valley with some great traditional folk sounds.

Steve Oats

Landulph Gardening Club

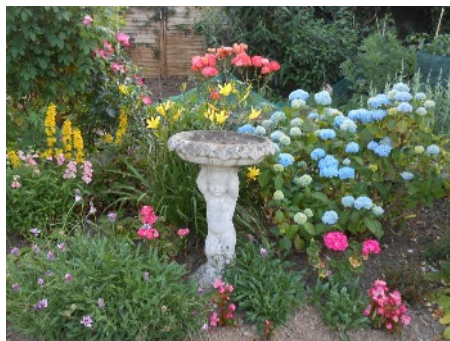

Each year from May to July the Garden Club goes into outdoor mode. During May we had a very pleasant and interesting evening walking on John Fordy's land at the Ranch, with a divergence to Neil Cradick's ponds for Tamar apple juice and pretzels. Bad weather in June prevented us going to a garden under restoration at Maristow. July has excelled itself with a hot sunny evening for the safari to four local gardens - the Erskines', the Wrattens', Penny Robson's and the Taylors' for excellent home-made cakes, tea & coffee. All the gardens were very different and thank you to the owners for allowing us to view them.

There is no meeting in August but September's is serious - a talk on the evolution of gardens in Cornwall! The October talk is about leaves.

Hope to see you then and, of course, visitors and new members always welcome.

PTA auction raises £1,500

A huge thank you to all of you that supported the Charity Auction on Saturday 13th July, whether you donated something for us to sell or came along and enjoyed the fun. It was a huge success and certainly worth all of the hard work it took to make it happen. We raised an outstanding £1,300 from the Auction, plus the takings from the bar, barbeque and tickets which should bring the total to well in excess of £1,500. We are already being asked when the next one will be!

News from Landulph School

For the first time that I can remember, I have to report that a small act of vandalism took place on the school grounds between Friday 28 June and Monday 1 July. Please could we ask for your support in protecting your village school by being extra vigilant and if you have any concerns, please do report them to the police, thank you.

Along with Mrs Worth retiring, Miss McMillan is also leaving us to take up a full time post in a primary school in Plymouth; we will miss them both and wish them well for the future.

Our Year 5 and 6 pupils had a fantastic time on their residential, the weather was kind and the activities included, amongst other things, canoeing down the River Fowey and coastering around St Austell Bay. Tales abound of midnight feasts full of sweets (probably only 10pm). We are very grateful to Mrs John & Mrs Grainger for accompanying the pupils and forsaking their families and sleep to give the pupils this experience.

Our Year 3 and 4 pupils also had a fabulous time when they visited Siblyback Outdoor Centre for a fun-filled day that included a high ropes course and canoeing.

Not to be left out, you may have noticed our youngest pupils out and about in early July. Class 1 and class 2 enjoyed a parish walk that finished with a picnic lunch in the park, followed by a leisurely stroll back to school in the afternoon.

We all thoroughly enjoyed the visit from Landulph Under Fives who joined us for lunch recently; this was part of their transition to primary school. This visit, along with the learning together programme, helps ensure and reassure the children as they prepare for the start of their journey in full-time education.

Landulph Good Companions

In June Allison Gribble's demonstration of how to make meals for one or two was well received. June trip, 35 members and friends enjoyed a trip on the Exe from Exmouth. Because of a very low tide, we could only go as far as Powderham and to make up, the boat went along the seafront. Most enjoyed a cream tea on board. Afterwards an hour was spent in Exmouth town. In July, James Lynes talked about 'Old Hats'; and the trip was to Salisbury. For August's meeting we look forward to Harry Sinnet talk, 'From tree to table', an insight to wood turning. The trip is to Babbacombe Model Village and Torquay. September meeting features Dr David Price, who will show his wonderful Tamar Valley photography and the trip will be a mystery arranged by DAC Coaches. In October we welcome back Chris Robinson, Plymouth historian, and our trip is to Torrington Glass and Bideford. Come and join us, we meet on the 3rd Tuesday of every month at 2.30pm in the Memorial Hall. Give Doreen a ring 01752 845495 or Mavis 01579 350385 for a programme; you will be given a very warm welcome.

Landulph Festival of Music and the Arts

Get Friendly with the Festival

Plans for an exciting 2013 Festival starting on 27 September are well advanced.

As always, crucial to its success is the support of the community. We have been very fortunate in attracting a consistent local audience which we need to grow and also draw in people from a wider area.

Will you help us to achieve this objective by becoming a Friend of the Festival?

A network of Friends can carry awareness of the festival to a wider area and be an invaluable support to sustain and develop the Festival for all the community.

Friends benefit from invitations to the Art Exhibition Private View, a party with the Committee to meet Morgan Szymanski together with a listing on Festival programmes.

Why not become a Friend? Please send a cheque for £20 payable to the Landulph Festival Association to; John Hall, Landulph Rise, Landulph PL12 6NG

How To Make A Mediæval Robe Fit For A Banquet

I'm sure you all have the 2013 Landulph Festival Mediæval Banquet in your diaries for 7.30pm on Saturday 28 September.

But what to wear?

Panic not! Look out some old curtains or other material (maybe from a charity shop?) that looks rich and heavy. Jay Hooper is coming to Wayton House on Saturday 7 September to help us create something uncomplicated and effective. If you can use a stapler or glue gun, better still thread a needle and do the most simple stitches, you will be able to create something wonderful out of nearly nothing.

The workshops are open to ladies AND gentlemen, to make basic outfits in the morning, or if that's too daunting, come in the afternoon to make a hat or simple wimple under Jay's guidance.

Places are limited, so please contact Kirstie Evans soon on 01752 845297 or email kirstie@wayton.co.uk.
