## Parish Council matters

At July's meeting the Parish Council (PC) recommended refusal of an application for erection of a dwelling on land between Cymaron and Cumble Park. During September's public forum Andrew Butcher expressed his disappointment that PC had withdrawn its recommendation on learning that the planners would approve the application. PC noted his views without comment. Among a blizzard of dull correspondence was an invitation to councillors to offer themselves for Criminal Record Bureau checks; there was a pensive silence during which consciences were examined and missed opportunities regretted before they decided NFA. The company which runs the Wayton solar park has contacted PC to say that they want to extend the period of permitted use and would like to donate to PC funds. This blatant baksheesh was greeted with hilarity, but also an urgent need to find out exactly how big was the bribe (their words). Following Councillor Reg Rice's sad death there is now a need to fill the vacancy by co-option. Please see parish noticeboards for details of how to volunteer. PC chairman Gerry Stevenson has now moved to Saltash but remains in post.

## Landulph Festival

Book now for the Landulph Festival.

As the autumn evenings draw on, Friday 2 October sees the opening night of the 14th Landulph Festival of Music and the Arts which runs through to Sunday 11 October. The Festival includes classical, jazz and rock music. Aside from music there is an exhibition by local artists and a presentation on the 'Archaeology of the Tamar Valley'. In addition there will be a Children's Party with a Magician and, of course, the ever popular Village Night, showcasing local talent.

The Festival caters for a range of tastes. Sadly the original act The Ugly Sisters has been **cancelled** due to injury of one of the cast. The replacement for the opening night is **Dalla**.

Dalla are the internationally acclaimed leading lights of Cornish traditional music. They have released five albums to date all of which have gathered rave reviews from around the world. These, along with their moving and dazzling live performances, convey the sheer joy they take in Cornwall's indigenous music and song.

The members of Dalla are some of the foremost proponents of traditional Cornish music. They have been on a journey from the earliest sparks of the revival in Cornish Traditional Music to the exuberantly expanding universe of the scene today. Since their inception in 1999, Dalla has played countless gigs in the UK and abroad. Highlights include the Port Eliot Festival, The Eden Project, Hall for Cornwall, The Royal Albert Hall, Festival Interceltique de Lorient in Brittany, Potomac Celtic Festival, USA.

Dalla promise a lively evening of Cornish music and song. Landulph Memorial Hall Friday 2 October 8.0 pm. Tickets £10, under 16 £6. Next up is rock night with The Sound who will be playing music from bands such as Oasis, The Kings Of Leon, Snow Patrol, Stereophonics, Kasabian, and Bruno Mars. The band also covers tracks from The Rolling Stones, The Beatles and Fleetwood Mac.

For the smaller movers and shakers, and packed to the gunnels with fun, hilarity, balloons and cultural references no grown-up should understand, as well as all the other stuff that makes for a tip-top children's party, there is Magic Martin, and Mini Marvin together with lashings of lovely party food.

For those who like music with their pasty, there is the lunchtime concert with Bel Canto in the Landulph Methodist Church. Cheryl Rosevear, Shelley Coulter-Smith accompanied by Anthony Seddon will perform popular songs from the shows and some opera highlights. All this and pasties too! Shelley has performed in Italy, Glyndebourne, London's West End and the Albert Hall and has recently become leader for the Cornwall County Girls Choir. She is an established singing tutor in North Cornwall. Cheryl, from Falmouth, was 11 years old when she discovered her singing talent and once beat Katherine Jenkins in a singing competition!

A change of gear brings Colin Buck, a Cornwall Council Senior Archaeologist to talk about the Archaeology of the Tamar Valley (Thursday 8 October, 7.30pm at the Memorial Hall). Have you ever wondered about our Valley's iconic mine buildings or how they were worked? What was life in the Tamar Valley really like 150 years ago? Find out the answers with Colin. An experienced speaker on this subject, he will be a fascinating speaker.

Onward to the deepest parts of West Cornwall, where three doctors have bandaged together to form Medical Maelstrom and have become famous throughout Cornwall for their performances: a tincture of song and laughter from three Cornish doctors bursting with talent – if you haven't seen them before grab the chance! A cabaret evening of light music and entertainment accompanied by food: what's not to like. Ladies and gentlemen, you are in for a treat. We are extremely grateful to Medical Maelstrom for donating their fee to our two main local charities, Batters Disease and Cancer Research. Book early so the food doesn't run out. With hardly a moment to draw breath, Village Night is upon us. Drawn from the shallows and depths of the parish talent pool, this light-hearted traditional last Saturday of the festival continues to be ever popular. Volunteer acts, please step up to the plate, hidden talents nominate yourself or be nominated. Contact Jason Small on 07795 451067 or [jay.nic01@btinternet.com](mailto:jay.nic01@btinternet.com) to register. Free entry to the evening

of fun for all acts. Unfortunately, entourage and other hangers-on will be asked to pay for their tickets!

Finally, finally a major headline classical music concert (Sunday 11 October 6.00 pm. Landulph Memorial Hall ). The Aquarelle Guitar Quartet is a dynamic and innovative group known for its extraordinary ensemble in performance, expansive repertoire and ground breaking work in developing the guitar quartet medium. The quartet has performed extensively across the UK and abroad to critical acclaim, and is admired for its original arrangements of music from a wide range of styles, periods and cultures.

So book your tickets and come along: there is something for everyone.

### **Landulph Under Fives**

Landulph Under Fives has started the new Autumn Term with a healthy 15 children attending various sessions. We welcome Archie, Eva, Sophie, Beau, Harriet, Maya and Madeleine.

This half term we are getting to know each other through circle time discussions and activities. We will also be focusing on The Rugby World Cup, creating some England flags, rugby shirts and rugby balls. We will also be creating a Rugby World Cup themed display for the Landulph Festival. Towards the end of the term we will be thinking about Harvest and creating lots of Harvest crafts.

During our first week we have been up to lots! The children have enjoyed exploring their new environment, including the outdoors in the lovely sunshine and have been looking after the vegetables that we planted before the summer break. Painting on the perspex was enjoyed by many too. The children have enjoyed using their new tables and chairs for snack time and the new comfy sofa and cushions in the reading area.

## **Exciting new year for the school**

The Landulph Primary School starts an exciting new year with 14 new reception children and two older children bringing numbers up to a healthy 71.

After-school clubs are as popular as ever.

This year's offerings include: art, cookery, cross country, dance, football, multi-skills, netball, poetry and tennis. This December, we are delighted to host our biennial

Christmas performance and have chosen *Mr Humbug Sees the Light*. This script has had excellent reviews and Mrs Bonner is already working on the show and rehearsals start soon. Keep an eye on the school notice board for the weekly newsletter or the school website if you would like tickets. We are also looking forward to welcoming two B.Ed students from Marjon who joined us late in September for the autumn term.

## **Wheatley rides again**

This time last year, Dave Wheatley, Mick Flanagan and Tim Clarke took part in the Banger Rally Challenge organised by the St Austell Round Table. This involved a gruelling dash around Europe visiting six countries in four days and ending in Pula, Croatia, all in a car costing no more than £300. The trio, in the guise of the Three Amigos, racked up nearly 3,000 miles in an X reg Vauxhall Astra and raised in excess of £4,500 in aid of Prostate Cancer UK.

Now Dave is rising to the challenge again. At the beginning of October he, and his brother Rob, are heading to Lake Garda via a circuitous route through Austria in an old yellow VW van. This is the sixth year that the banger rally has taken place and to date the rally has raised over £482,000 for various charities around the UK.

Dave and Rob are raising funds for Prostate Cancer UK and the Chestnut Appeal. If you would like to support Dave and Rob there is a link to their Just Giving page here:

<https://justgiving.com/teams/x-AAMEN> alternatively, a collection box is located at the bar in the yacht club. Many thanks.

## **Neighbourhood Development Plan Update**

A meeting was held on 14 September, continuing the creation of the Landulph Neighbourhood Development Plan (Landulph NDP). The Landulph NDP will influence future planning policies within the Parish. Residents will be given the opportunity to voice comments and opinions

prior to the plan being drafted. To this end, a meeting will be held in November and this will be your opportunity for you to have your say. A website is under development to encourage feedback from the whole community.

Please contact Cindy Zimmer for further details 01752 842187

### **Knit a hat for Prem Babies!**

If you've got any spare yarn lurking in that stash box of yours, why not put it to good use and knit a few hats? They are very useful to a small baby in helping it regulate its temperature and can in some cases make a difference between being admitted to the Prem. unit and staying at home. We need lots more 3 or 4-ply wool. If you have any leftovers in your knitting box we would love to have them, as the hats are given to the family when baby is taken home, so a steady supply is needed. Contact Sylvia Bedbrook for more details.

### **Gardening Club**

Autumn is on its way and plenty of garden jobs with dead-heading, cutting back, tidying up and even the occasional thought about next year. Our Spring Show is scheduled for Saturday 9 April, and although that's a long way ahead, the bulb and plant catalogues are coming out with their amazing promises.

The Club has talks for the next two months. On Wednesday 14 October Claire Woodbine from Pinsla Garden & Nursery will speak on Giving structure to the garden.

On Wednesday 11 November, Charlie Pridham from Roseland House Nursery will bring a change of scene with Coastal California, followed by the AGM.

Our pre-Christmas meal is planned for Wednesday 11 December in the Memorial Hall. Local cook, Felicity Wyman will be catering for us.

The new programme begins in February 2016 and if anyone would like to join the Club or come along any time as a visitor, you would be very welcome.

## Cargreen Regatta reaches new heights

A large fleet of around 37 yachts took part in the Cargreen Regatta and Raft Race fun day. The Regatta is traditionally the end of the Port of Plymouth Sailing Association summer season and has a reputation for being a fun, end of term party.

The big change this year was the introduction of a white sail class (no spinnakers). This was an immediate success with 17 boats taking part and Cargreen YC member Nick Fox took top honours with his yacht *Cuchulainn*. The winner of the top IRC class A was *Dogs Jorrock*s with Steve Wassell. *Mischief* (Ashley Crawford) won the Plymouth Handicap Class A. Class B was won by Phil Hooper's *Joburg*.

The serious racing was followed by the now customary Cadets' Raft Race. Everyone got very wet, confusion reigned and the results are largely unknown and unknowable. The club was open to all comers for the afternoon with a fine barbecue run by a team of club members and the bar doing a roaring trade under the direction of Richard Tompkins.

## Cargreen YC White Sail Challenge ends season

The highly successful inaugural CYC White Sail Challenge came to an end at the beginning of September with Richard Bowman's Soling, *Emma* taking the overall prize. He won four races outright and was never out of

the top three. He comfortably beat Mick Flanagan's *Toby Dee* into second place with Rob Bull's *Champus* a close third.

In the final event of the year *Emma* dropped to a rare third behind *Toby Dee* and *Triple Venture*, the Twister raced by Tony Head who is to be congratulated for organising the series. Nineteen boats took part in one or more races and as a result of its popularity, Tony has promised to arrange a short Autumn series as well.

*James Jermain*

### **Landulph Short Mat Bowls Club**

The Autumn term for Short Mat Bowls has now started and continues until the end of November. New members, novices or otherwise, are welcome at any time and if anyone wants to see if they like bowling then the first two visits are free. We meet at the Memorial Hall on Wednesday afternoons from 2.00pm until 4.00pm and on Thursday evening between 7.00pm and 9.00pm. Some members come to both sessions, others choose to come to whichever suits them whenever they are free. The annual membership is currently £10.00 and we pay £2.00 each time we play.

If you would like any more information please contact the secretary, Andrew Butcher, on 844302.

## **Fete takings break £1,000 barrier**

For the Fete this year we had a timely break in the weather and we were delighted to see so many from the parish and beyond. We were also delighted to welcome our new Priest-in-Charge, Chris Painter and his wife Andrea (who did stalwart work on the BBQ!). The cake stall had another successful year. Jennie and Jill would like to thank everyone for their delicious contributions. The Tombola, Plant Stall, Trash or Treasure, Jams & Pickles, Face Painting and Refreshments were again very popular features of a fun and friendly community afternoon. So many people to thank besides for their help and enthusiasm. Including some generous donations, we raised just over £1,000 for the church's Fabric Fund.

*Nigel Johnson*

## **Reg Rice**

On behalf of myself and Jill I would like to thank all Dad's neighbours and friends who helped and supported both him and myself in the last few weeks of his life; it really was appreciated. Also we were pleasantly surprised at the number who attended the funeral at Glyn Valley.

I have now heard from CP Coombes, the Funeral Directors, that the final total of donations was £198.2 to Leuka (Leukaemia research), which Dad had been suffering from, and £372.2 to the RNLI. Many thanks.

## Nature

Funny old summer this year, grey clouds, with winds from all the cold directions, then silly bits of day long drizzle with zero visibility amounting to 1 mm of rain, or down pours, with anything up to 25mm, followed by a gorgeous sunny evening's sail and sundowners on the quay; but nothing much you can count on or get to grips with. Tomatoes sulking in the green house, desperate for long hot hours of sun shine, then being funny about their water rations, too little and they flop over and drop off. Too much and they droop, split and get black bottoms. The cucumbers on the other hand seem to be going mad and filling up their corner of the green house very fast.

The greatest total of glow worms so far this year is 15, counted from bottom to top of our lane, and checked back down again on the 4th of August. They were late arriving this year, so extra welcome.

The new pair of swans, Stella and Stanley have managed one little cygnet, a Suzanne we're hoping. They call for breakfast and again for more in the evening, it's really lovely to see them after nearly 5 years of no cygnets, but sadly about 2 weeks ago Stanley the cob - a gentle fellow, unlike Stella who is the feistiest most belligerent pen we've ever known - collapsed on the mud and was unable to reach us. We called the RSPCA in the person of our Jo Pearson, from Haye Farm corner. Sadly the tide arrived first and lifted him off the mud just enough to allow him to slowly and painfully wade out of the creek and join his family along the marsh. We've never seen him since, but Stella and Suzanne come each day. Stella no longer stops to call for him, just gets on with the job of rearing little Miss Suzanne and shouting abuse at the bringer of corn. Of course it may be a young Master Stanley. It's very difficult to know.

On the subject of identification, did you know the only way to tell male and female kingfisher apart is; the female has an orange lower beak, which exactly matches her feet; a very feminine touch, and the male just has a black beak. So far I haven't been able to get our kingfisher still enough or near enough to be sure! May be the sun will oblige and the wind will come round from a nice warm direction, and I'll catch it spot on.

We have at least 14 house martin nests, plus some swallows who are all well into their second if not third brood. Some years the nests break and fall if it's too hot and dry, so this must be a grand summer for them at least. They will be off abroad soon and my washing line, which is unfortunately right in their flightpath, will remain, hopefully, unspotted until spring!

## **Landulph Film Club**

### **October film: *My Old Lady***

Who doesn't enjoy tales about property? *My Old Lady* is a film not only about property, it's about love and money, and set in Paris with the engaging Maggie Smith, the lovely Kristin Scott Thomas together with Kevin Kline.

Mathias, a down-and-out New Yorker, travels to Paris to liquidate a large, valuable apartment he has inherited from his estranged father. Once there he discovers

he has a protected tenant Mathilde, living in the apartment with her lovely daughter Chloé. He also learns the apartment is a viager — an ancient French system for buying and selling apartments, more, he will not get possession of the apartment until Mathilde dies and that he owes her a life annuity of €2,400 a month. Surprise, surprise since his father never told him! How does it all work out? Well come and see this charming film at the next Film Club screening on 20 October at 8.00 pm.

### **November film: *My Kingdom For A Horse***

The sound of galloping hooves will resonate around the Memorial Hall on Tuesday 17 November when the Film Club screens *Of Horses and Men* a film from Iceland. Never let it be said that Film Club shirks in its duty to bring you films from unlikely places.

Almost everything in *Of Horses and Men* happens in the great Icelandic outdoors: a colossal and wildly beautiful valley plain that is, in effect, one single unbroken location. The human inhabitants are smallholders and horse breeders who take a certain curtain-twitching interest in each other's business. This means patient surveillance using binoculars. *Of Horses and Men* is a hugely enjoyable film from the wild side of the wild side; it comes with an excellent musical score and it really resembles nothing else around. It is a love story about horses, with horses, almost like a silent movie with words. Horses are the language that allow the human characters to speak to each other. This film deserves its cult status.

*John Hall*
