Issue no.109 February/March 2024

Fleur taking a rest after planting fruit trees in new Duke Orchard

Parish Council December

Public Forum The Public asked about the overflowing bridge at Ziggerson Hill and the Chair recommended a member of the public report it.

Traffic A 'gateway' has been now added to the 30mph sign near Wayton (*together with new road markings – Ed*). The PC has joined the scheme to use the 30mph flashing speed monitor for two weeks twice a year. Double yellows will be repainted outside the school.

Planning;

1. A complex application for upgrades to electrical distribution cables, replacing poles and wire from behind the school across to Tinnel with underground work near Stockadon was debated. Councillor Ansell said 'we need it!' and it was supported unanimously.
2. The PC approved that £5,000 be earmarked to support the proposed new layby in the narrows up to Highdown 'if its required'. Highways will undoubtedly 'require' it!

Future of St Barnabas The future of the cottage hospital beside Port View Surgery, Saltash is being considered by an action group which exists to generate a vision for wider healthcare in Saltash. This includes the Leisure Centre facility and development of a 16-bed centre at Treledan. The group wants comments/support by March 2024. Councillors want to focus on GP access and the difficulty of getting from Landulph to Derriford. The target dates are unrealistic but the PC will write offering support.

Henry Searle Field Deer fencing to protect the new trees has been donated by Pentillie. The PC is to write a letter of thanks.

Finance Prior to the precept discussions, there was a detailed review of the Council's finances. More details are on the PC website, but broadly the Council is operating within its budget.

Two grants have been approved from the Community Infrastructure Levy (CIL). The CIL is a county-wide fund, and this year's focus is on support for children. Large grants are conditional on having a Neighbourhood Plan:

- £100k has been approved for a new classroom at the school. This is 75% of the expected cost, to be supplemented by other grants (eg County Council (£10k) and Smart Schools (£20k)). The PC will also seek contributions from Ellbridge substation developers of perhaps another £25k. There are precedents for this – Indian Queens receive £17k pa for 40 years! At this stage no contributions from the PC are planned. The Under-5s have been involved at all stages of discussions.
- £23,400 to replace major items on the playing field and provide new Rotanet. The total budget is £33k with £10k coming from the PC. However, the grant will be paid retrospectively, so the PC has to find a way of covering the cost until the grant arrives. This might influence the precept.

There were two proposals for the precept:

- 7.1% assuming no grant and scope of playing field work reduced.
- 4.9% assuming the costs for Playing Field upgrades are covered until the grant arrives. This Equates to 44p per month for Band D properties. This was approved.

You Tube

Unexpected item in the bagging tray! Peter Booth's group, cycling from Ho Chi Min City to Singapore, will be sending back videos. The council has access to a YouTube channel hosted by Councillor Tagg, but it would be better for the PC to host its own channel. Equality and diversity problems with YouTube concern the Chair. The PC is to investigate further.

Energy Working Group

Councillor Ansell reported that county level meetings were starting to identify the challenges. An EV Charging Survey is needed.

Climate Working Group

Forthcoming talks:

5 February – Reuse, recycle, reduce.

4 March – Buses, EVs and footpaths

Orchard Green Working Group

The orchards are not yet open as there is an insurance issue. The PC's insurance does not cover third parties on land not owned by the PC. The orchards are Duchy land rented to the farmer on which we are allowed to plant. Currently there is cover for events but not for volunteers, who work at their own risk. Members of the public walking onto the land are not covered. The Clerk is pursuing this.

Christmas Traditional mince pies and wine were enjoyed by all the members of the public (plus councillors). See what you are missing !

Peter Plume

Parish Council January

Public Forum The Public raised the perennial matter of hedge-cutting on Highdown, asking that the PC be authorised to cut them instead of us invoking road safety and cutting when Highways refuse to do it. The Chair noted the County's clear hedge-cutting guide and that Highways have a million miles of hedge to consider. However, the PC would raise it at the Community Area Partnership meeting.

Matters Arising A banking hub will open in Saltash, involving nine banks (but not Nationwide... is this now an oxymoron?)

Planning Tregwheal at Landulph Cross wanted a discharge of the planning obligation for it to be reserved for local needs. The planning

history of this house seems muddled, but the PC felt the application was confusing 'local needs' and 'affordability'. The need for local housing has been strongly established, so at the very least the owners should try to sell with the obligation in place. The application was rejected; The PC agreed that a consistent approach to similar applications was essential.

Playing Field Working Group The report noted the CIL grant approval, but that formal documentation was still awaited. Three quotes for the work had been received. The company recommended was in North Wales and had 20 years' experience with recycled plastic structures. The grant is only paid retrospectively, so the Finance Working Group (WG) explained how the cash flow would be managed by moving reserves. Completion would leave £9k in the playing field reserve, and the PC approved.

Energy Working Group Draft Terms of Reference were discussed, and the phrase '...establish long term relationship...' (with battery facility developers) was highlighted. This phrase is a euphemism for 'give us some money'. The Chair would be comparing notes with Indian Queens PC, who are ahead of us in this process.

Climate Working Group There is a government strategy to revive temperate rainforest in the UK, 'like wot we've got locally'. The WG will contact National Landscape, and will also support the RSPB garden birdwatch.

Orchard Green Working Group Trees have now been planted after 'intensive' training on how to dig holes! Deer and vole guards are included. Pictures are on the PC website. Issues concerning insurance cover for volunteers are still under discussion. The insurance company says our 'at your own risk' statement for volunteers is inadequate. Changes to the management of volunteers is in hand to overcome this.

The group recommended that the newly dug pathways not be resurfaced until it was seen how they fared. Wood removed from the playground would be used to make a shelter. The group asked for a contribution to costs from our County Councillor's community chest. This would be considered sympathetically!

The launch of Duke Orchard will be delayed until the weather is better.

AOB One of our more infirm parishioners had struggled with the step down from the phone box/library. Should we install a handrail? The chair agreed to investigate on who's land the box sits .

Peter Plume

'Café' reopens at Memorial Hall

Friday 22 February sees the return of the 'Café' at Landulph Memorial Hall. It will happen weekly on Fridays between 10am and 12 noon except 23 March when the hall will be closed. Teas, coffee, home-made cakes and soft drinks will be on sale.

It will be a chance to meet friends and socialize or if you are new to the area do come along to get to know people. Why not make it a destination for refreshments before or after your morning walk.

Any profits will go towards the upkeep of the Hall.

Looking forward to seeing you!

Landulph Memorial Hall Committee

Landulph School News

After a very busy festive season, the children have returned to school and have immersed themselves in their new learning.

Our topics this term are:

Class 1 – Where did the dinosaurs go?

Class 2 – Where in the world is Europe?

Class 3 – What are we?

Despite the cold weather the children have still been able to get out into fresh air, whether it is Class 1 exploring their senses, Class 2 getting active in their PE lessons or Class 3 doing Wild Tribe. Some of our cross-country children also braved the cold with their first race of the year at Cotehele and represented the school brilliantly.

Karen Ball, Headteacher

Landulph Under Fives

This term our topic has been Recycling and the Environment. The children have been learning how recycling helps the environment by reusing items or making them into new ones. The children had a go at making models out of recyclable materials, sorting different materials into the correct categories of recycling and watching videos on what happens when our items reach the depot to be processed.

Fundraising - our Santa event was a great afternoon and thoroughly enjoyed by all. The children were lucky enough to meet Santa and have a Christmas story read to them. Each child received a gift from Santa and a gift kindly donated by DCB Plant Hire - thank you to the Billings family for their generosity. In total we raised approximately £450 which will help greatly towards preschool funds.

Our next community event will be Easter. Planning is underway for an Easter-themed trail around the village. Again, if any businesses or individuals would like to donate towards Easter Eggs please contact us. Further details to follow.

If you have a child aged between two and five we have spaces available. New funding has become available for two-year-olds as well as funded places for three- and four-year-olds.

Landulph Stay & Play runs on a Thursday morning from 10am to 11.30am. All are welcome and it's a great chance to meet other families in the village. Babies/toddlers over six months are £3 to include a snack and drink, babies under 6 months are free. Unlimited tea/coffee and cake for the grownups! We hope to see you there!

If you have any questions about joining Landulph Under 5's or would like to find out more please email us: info@landulphunderfives.co.uk or Facebook @landulphunderfives.

Cyclists Be Seen !

Following a recent near miss on the Lanes, cyclists are reminded to take care and dress so that they 'stand out' and do not blend with background and the sky and preferably wear high visibility clothing.

Landulph – count your plastic!

Landulph residents have been invited once again to join in The Big Plastic Count. It takes place from 11 to 17 March, and registration is now open.

In 2022, a quarter of a million people from households, schools, businesses and communities across the country made The Big Plastic Count is the largest investigation into UK household plastic waste. By counting your plastic waste for one week you helped reveal a shocking truth: that the UK throws away two billion pieces of plastic every week, only 12% of which is recycled.

In 2024, governments will be negotiating a Global Plastics Treaty that could finally phase out plastic production for good. This time we'll be using the results to convince UK ministers to lead the way at these talks and push for a really strong treaty.

If you want to take part in the Big Plastic Count:

- Register: Get your free counting pack (digitally or via post) which includes everything you need to take part by logging on to www.thebigplasticcount.com.
- Get Counting: Count all your plastic waste from 11 to 17 March
- Submit Results: Submit your data via our website by 31 March
- Get Your Footprint: Discover your plastic footprint and use the results to make a difference!

Duke Orchard planted

Over 20 volunteers had a convivial time in the sunshine on a brisk January day as they planted Duke Orchard, Landulph's community orchard. Forty-six apple, pear, plum and nut trees went into the ground supported by stakes, tree ties, guards and cable. All the trees are of Tamar Valley stock. A 'copse' of cherry trees will be planted later when stock is available.

Professional gardener Steve Pearson gave a demonstration of how to plant fruit trees – it looked so easy! People fell to the task, paused for coffee, chocolate biscuits, mince pies and chat, then returned to mulch and form the vole and deer proof guards around the trees. A huge thank you to the Duchy of Cornwall and the Best family who provided the site, and to everyone who worked on planning and preparation; to those who planted on the day, including five teenagers, to Jo Butcher who stoically planted daffodil bulbs, and to Amanda Pugh our tree warden who brought along some extra saplings for hedging and planting. It was a very happy and productive day.

There will be an official opening of Duke Orchard later in the spring, so

the Working Group does ask you please to contain your excitement and wait until then to visit the site as there is still work to be done to ensure your safety and enjoyment. Keep an eye out for more information here, on the Parish website, Landulph Innit and the notice boards.

Ho Chi Minh City to Singapore

Local resident, Peter Booth is a member of 3skinnybikers who are currently cycling over 3,000km from Ho Chi Minh City to Singapore. Peter's aim is to raise £1,000 towards our community orchard. To follow his progress or sponsor him please go to the Landulph Orchard Green section of Landulph.org.uk. All money donated will go to the Orchard project. Landulph School will be following Peter's progress,

receiving news, photographs and answers to questions along the way. Landulph Orchard Green comprises Duke Orchard and Duchess Green. Duke Orchard has been planted with local apple, pear, plum, cherry, damson and nut.

Plans for Duchess Green are still under development but it is hoped that this will be a green space with a pond, micro forest, natural meadow areas and an open grassed meeting space.

There will be an official opening of the Orchard

Clare Tagg

Footpaths New Volunteer Scheme

The Landulph Footpaths Group has officially joined the Cormac volunteer scheme to work on public footpaths. Cormac is the Cornwall County contractor for the repair of public rights of way. This means the Group is covered by Cormac's public liability insurance (not personal liability) when it carries out small repairs. The first fruits of this can be seen in the new steps leading up to the 'horse corridor' in the field above Penyoke (see page 10) and repairs to the handrail beside steps leading to the field above The Coombe. The materials for this were provided by the Parish Council. The Group must thank Councillor Clare Tagg for setting up this scheme. In the past maintenance has been carried out sporadically by begging funding from various local authorities and desperate *ad hoc* DIY work by volunteers and local landowners.

To volunteer you will need to sign up with the Landulph Public Rights of Way Group coordinator stating that you have read and understood the Induction Pack. The scheme is designed to make your volunteering activity a rewarding experience without pressure. Funding for materials will be from the Parish Council when possible, or by local landowners or local individuals.

The co-ordinator for Landulph is Allen Pack (07854 013103). A meeting

of willing volunteers will be held at Penyoke Farmhouse on 13 February at 11am when a Cormac representative will explain the scheme and answer questions.

The next project is to remove the tree which has blown down on the Penyoke footpath largely blocking it, although the more agile will be able to crawl under. It is understood that Roger Wratten is arranging and funding the work with a qualified contractor. It is likely by the time you read this the trunk will be cleared.

Allen Pack

Landulph Parish Newsletter 2024 Easter Family Quiz

Welcome to the inaugural Landulph Parish Newsletter Family Quiz which is open to families or individuals resident in the parish of Landulph.

- 1 Entries can be made on this quiz sheet in the spaces provided or written on a separate piece of paper. Please write clearly.
- 2 Entries close at 09.00 on **Friday 1 March 2024** and may be submitted as follows:
 - by email to lizaf@btinternet.com
 - by post to Lower Stockadon Farm, St Mellion, Saltash PL12 6QF
 - deliver to Tamarisk, Fore Street, PL12 6PA - opposite The Spaniards
- 3 The prize - an Easter Egg - will be delivered to the winner or winning family by Thursday 28 March 2024
- 4 In the event of more than one entry with the highest score, a draw will be held to decide the winner.

Name of entrant

Address

Telephone

- 1 Easter always falls between which two dates
- 2 The first Easter Eggs were dyed which colour?
- 3 What meat is traditionally eaten at Easter?
- 4 Who made the first Easter Egg?
- 5 What food is traditionally eaten on Good Friday?
- 6 What animal is most commonly associated with Easter?
- 7 When was the first Cadbury's Crème Egg sold?
- 8 Easter Island belongs to which country?
- 9 Who voices Peter Rabbit in the 2018 animated movie?
- 10 Judy Garland and Fred Astaire starred in which 1948 Springtime film?
- 11 In the 13th century, the Church prohibited eating what during Holy Week?
- 12 What baked good is a Good Friday tradition in the UK?
- 13 In Switzerland, what animal delivers Easter Eggs to children?
- 14 How many marzipan balls are traditionally on a Simnel Cake?
- 15 What do the marzipan balls on a Simnel Cake represent?
- 16 In which country did the tradition of the Easter Bunny originate?
- 17 The Sunday before Easter is called what?
- 18 What is the 40 day period before Easter called?

- 19 Dyeing Easter Eggs is a tradition that began in which country?
- 20 The date for Easter is determined by what?
- 21 In the Bible, Judas traded Jesus in exchange for what?
- 22 Which flowers, that bloom around Easter, are a symbol of Spring?
- 23 Who wrote the Tale of Peter Rabbit?
- 24 What is the name of the rabbit in Winnie the Pooh?
- 25 What does the rabbit from Alice in Wonderland always carry?
- 26 What happens to clocks in the Spring?
- 27 What was the name of the hill where Jesus was crucified?
- 28 At Easter, the British monarch distributes silver coins known as what?
- 29 What food do we traditionally make on Shrove Tuesday?
- 30 The Romans gave Jesus a crown of what?
- 31 What type of hat is traditionally worn at Easter?
- 32 Which country produced the largest Easter Egg?
- 33 In which Disney film does the rabbit Thumper appear?
- 34 Which Russian firm designed priceless jewel encrusted eggs?
- 35 The Easter Bunny was originally a Hare - True or False
- 36 What is the egg a symbol of?

What am I?

Forthcoming Landulph Climate Group events in February & March

Monday 4 February

Climate Matters: Reuse, Recycle, Reduce

Our waste collection is changing from April 2024.

Come along to find out all the details and ask all your questions.

Our guest speakers include Councillor Carol Mould from Cornwall Council - Portfolio holder for Neighbourhoods including waste collection, disposal and minimisation. Councillor Mould will explain all about the changes including the new fortnightly rubbish collections to help us waste less and recycle more,

With reusing in mind, we are also pleased to welcome Rosie Waters from Saltash Scrapstore. Rosie started the Scrapstore about five years ago with the aim of minimising the amount that goes to landfill. Rosie will explain all about the Scrapstore's success of showing how items that some would consider scrap are of use to others and what the scrapstore has to offer.

Monday 5 March

Climate Matters: Transport for All - Electric Vehicles, Buses and Footpaths

Our second winter event is also very topical and focuses on transport matters, particularly in our local parish. Again there will be lots of opportunities to ask questions.

Our guest speakers include Lee Quinney, Public Transport Infrastructure Asset & Systems Manager with Cornwall Council, who will discuss all things Electric Vehicles and the recent 'Let's Talk

EV' survey. Gemma Hall, Integrated Network and Partnerships Manager with Cornwall Council, is responsible for overseeing the day to day operation of the public transport network in Cornwall and how it is funded, including our recently introduced local buses to Cargreen. Councillor Clare Tagg from Landulph Parish Council will update us on all the footpaths news.

Both events are at Landulph Memorial Hall and are free of charge, Doors open at 7.00pm for a 7.30pm start.

Refreshments available - cash donations welcome.

We look forward to seeing you there.

Diane Gregory

Lively Ladies

On Tuesday 6 February at 7.30pm in Landulph Memorial Hall, set sail for the South Atlantic with Jason Small as he shares his adventures as part of a team who raised the Argentine submarine *Santa Fe*, off South Georgia Island.

A QUALITY SERVICE- A SENSIBLE PRICE

Local Christmas Cards - Since 2006 Cargreen has been donating to the Salvation Army Children in Need by making a donation instead of popping a card through their neighbour's door. Thank you so much to all those who contributed to raising funds This year we raised an amazing £670. Cargreen has been so generous, particularly in these difficult times. The table below lists those members who decided to donate instead of sending a Christmas card. If you would like to have your name *added* or *removed*, please contact me, Sylvia Bedbrook, Laxtons. 01752 844519.

Richard & Debbie Allan Ingrid & Steve Bailey Sylvia Bedbrook Christene Bowman Gaye & Marvin Braund David Bullivant & Terry West Andrew & Jo Butcher	Rose & Neil Cradick Andrea Edwards Carol & Chris Hammond Glenn & Margaret Honey Angela Hume James & Phillida Jermain Gwenda & Nick Keene Mike & Shirley Kitney	Anne Moxley Morton Macleod Gwen & Paul Morris Annemarie Nathan Christine Ron Norris Allen Pack & Cornelius O'Connor Penny Singleton Valerie Taplin & David Ward Cindy Zimmer
---	---	--

A word from the Salvation Army themselves:

It's difficult to put into words, just how much of a difference the very kind donation from the Cargreen community makes to the many young people that we support during the year. Your generosity is never expected or taken for granted but is received with gratitude by The Salvation Army in Morice Town.

As in previous years, we will be ensuring that your gift is put to good use with enrichment events throughout the year, such as trips to the theatre, days out and lots of other fun activities. Our focus is aimed at the more deprived families in our locality, enabling them to experience things that they perhaps would not normally be able to due to lack of funds.

On behalf of The Salvation Army and the many young people we support, thank you and every blessing to you all. *Andy Toby, Captain, Devonport Morice Town Salvation Army*

Parish Christmas Walk

There was an Amber Weather Warning for the event held on 27 December but a few hardy souls braved the predicted conditions. As it was, the weather was not quite as severe as expected (says I, waiting for the returning walkers in the comfort of the Yacht Club). All told there were about 23 walkers and four dogs and with another seven joining the 'après walk', a good time was had by all, feasting on homemade soups, Cornish pasties, sausage rolls, tea and coffee. And the bar was also open.

Gardening Club – come and join us

For those new to Landulph, the Gardening Club was started in the 1990s by various local people including professional growers of daffodils, soft fruit and flowers

. From looking at a previous file, I think the original programme was more practical - today we can get plenty of information on line.

For many years we held a Spring Show which produced an amazing variety of flowers, shrubs, floral art, children's work and, latterly, cookery. Now we have a mixture of topics for winter talks from October until April, with a Christmas meal in December. During the summer we'll visit local gardens and some further afield. The first 2024 talk on Tuesday, 13 February 2.30 in the Memorial Hall is about the plants and landscape of Lanzarote in the Canary Islands. On Tuesday 12 March at 2.30 the subject is 'unusual plants to grow in the South West'. On Tuesday 9 April at 2.30 we're planning an informal D.I.Y. floral art activity celebrating Spring with flowers and foliage, followed by homemade cakes and tea. Everyone welcome and the first visit is free.

The Cargreen Choir

In December the Cargreen Choir sang at three Christmas events: Christmas Service of Carols at Landulph Church, Carols on the Quay where a collection for the RNLI 200th Anniversary was made, and Pentillie Castle Carol Service where the collection went to the local food bank.

The future of farming

Food and farming are key industries in Cornwall and play an important role in supporting other sectors including tourism and health. However, farming is changing throughout England and over the next 5-10 years we will see a significant restructuring of many of the farms as we know them today. These changes will not always mean a change in the landscape, although new/replacement buildings will be required and different land use will take place, but it will may involve a change in the size of the holdings and the business structure of the farm business. The main reason for the change is the UK leaving the European Union. When the UK joined the Common Market on 1 January 1973, agricultural policy became the responsibility of the member states through the Commission and the European Parliament. Although the UK Government had a large influence in which policies were adopted, we had to follow the majority decision which was implemented through the Common Agricultural Policy (CAP). CAP policies have changed over the years but they have resulted in agriculture being a supported sector to ensure the provision of sufficient food to feed the European population at an affordable price and more recently to deliver environmental outcomes. The discussion on the success or otherwise of CAP would take up more space than is

available here but one result has been that in 2022, 11.8% of our net income was being spent on food to eat at home. This has resulted in the UK having the third most affordable food in the world and compares with 30% of our net income being spent on food for home consumption in the 1950s.

However, the UK produces only 60% of the food that we eat making us one of the countries in Europe with the lowest level of productivity. Farmers in the UK are highly dependent on a financial support mechanism, currently this is the Basic Payment Scheme (BPS). A recent survey of farm businesses found that 47% would not be profitable without BPS. This scheme is now being phased out through the UK Agricultural Transition Plan (ATP) which is the responsibility of DEFRA (Department for Farming and Rural Affairs) which seeks to improve agricultural productivity and target support to deliver public goods by land managers and farmers in terms of programmes such as environmental schemes.

There are many other factors which may lead to change within a farm business and I hope that this short article has given you some of the background to the changes that farmers are experiencing at the moment.

Landulph Film Club

The Film Club's next showing is on 20 February when the film will be *Living*. It stars Bill Nighy as a buttoned-up civil servant who is determined to achieve one significant thing before he dies of a terminal illness. Set in grey, melancholic, post war London, Nighy's ramrod-straight English gentleman clashes with bureaucratic inertia in an ultimately life affirming battle.

On 19 March the Club will be showing *Oppenheimer*, the multi-award winning biopic of the 'father of the atomic bomb'. *Oppenheimer* weaves together courtroom drama, romantic liaisons, laboratory epiphanies and lecture hall personality cults. But perhaps more than all of this, *Oppenheimer* is the ultimate monster movie with Oppenheimer as Frankenstein and the bomb and man's capacity for destruction the monster. This is a long film, so it is recommended that you bring a cushion. There will be an intermission with refreshments. All film club showings are at the Memorial Hall. Doors open at 7pm and the film starts at 7.30pm. Non-members are welcome. Tickets cost £6 including a glass of wine or soft drinks (cards are preferred).

Public access limited through Cargeen Yacht Club

Public Access will be limited through Cargeen Yacht Club on 23 March from 9.00 am until 3.00pm (The CYC will be holding it annual Cleaning Day) .

Landulph Memorial Hall 100 club

Thank you all for supporting us last year; we hope you will continue to do so this year. If you have recently moved into the Parish and would like to join the 100 Club your support would be very welcome. The cost is £12 per year, collected in February. Half the money raised goes towards the upkeep of the Hall with the other half going in three cash prizes every month (four in December). The draw takes place each month.

If you would like to join, please get in touch with either Sue Wright 01752 847533, or Rose Cradick 01752 843257. We are happy to collect your subs if required. If you prefer, you can pay by BACS by contacting the Treasurer Gaye Braund on 01752 847774 or drop your subs into 1 Coombe Lane in an envelope with your name. Cheques should be payable to Landulph Memorial Hall.

If you have any query please contact Sue Wright.

Life Saving Automatic Defibrillators

There are two defibrillators located within our parish, both for public use in an emergency.

1. Landulph Memorial Hall in Fore Street
2. Cargreen Yacht Club, Coombe Lane.

Landulph Memorial Hall defibrillator:

Located adjacent to front doors

To use you are required to input the code 1111 to unlock, and press the green 'tick' button to open for access.

Cargreen Yacht Club defibrillator

Located on the front wall of the building before you reach the front doors.

This unit is left unlocked, and so no unlock code is required.

Please remember in the event that you may need to use one of the above units, that in a cardiac arrest situation: **continuous CPR is essential while someone else goes to obtain the defibrillator.**

Next edition copy date is 15 March 2024. Inclusion of any material after this date will be subject to space available.
