Parish Council June 2019

Here are some highlights from a particularly long meeting.

Council approved a planning application for construction of a 50mW (50,000kW) battery power storage facility at Ellbridge electrical sub-station. Although councillors had had a personal briefing on the project, chairman Martin Worth explained its details to the audience of six. Pivot Power's first site in Southampton is being built and Ellbridge will be the second. Eventually 45 sites will have a total storage capacity of 2gW (two million kW). The array of batteries covering about half a hectare at Ellbridge will charge up at night when power is cheap and be on standby by day to top up the National Grid ahead of CO₂-belching gas-fired power stations. Their immense energy store may be used for recharging electric vehicles, but this is no more than an option at present. The future starts now! And there might just be a financial sweetener for the Council..

More immediately there will be rental income to Council for the filming on Penyoke field. No mention of how much, but Council wants to ring-fence it for spending on the playground fence and equipment.

Council has been invited, but declined, to join UK-wide local government and major organisations in declaring a 'climate emergency', committing itself to a carbon-neutral future by 2030. Instead, our Council will commit its limited powers in support of Cornwall County's January declaration of a climate emergency.

Hedges weren't on the menu, but in AOB councillor Phillip Braund said that after a short absence he was displeased at the height of the Highdown hedges, so emailed a complaint to County. A County officer inspected on 13 June and said that a cut was not necessary. The very next day and by complete coincidence, the west hedge was cut by a contractor employed by our own Parish Council, which had asked him to do it in *May*. And so it goes, summer after summer...

July 2019 Memo to Lord Reith: Dear John, I imagine you're less than happy with the state of British broadcasting nowadays, especially the sedimentary levels of TV which fall so far short of your ideals to 'inform, educate and entertain' as to insult even the most moribund intellects. Reality TV bulks out a sad package of crime and kitchen sink dramas with a hotch-potch of unattractive egotists doing everyday things, including the absurdity of a programme where we watch others watching television. Now, here's a suggestion that ticks all the boxes – why not have a series that records the workings of local government at parish level, eg in Landulph. Situated in an area of outstanding natural beauty, there is a small Cornish village with no through road and populated by a cohesive mix

of deep-rooted locals and lucky newcomers who share pride in their community.

In dealing with a rich variety of topics the Parish Council lifts the lid on the small malaises that make nosey curiosity such fun – for example only this month we learned that Council was struggling to conceal the (generous?) sum paid to it by a major TV team to rent the playing field for filming; that it could not decide how to disburse the remaining £1,282 of Solar Park Fund because the most urgent petition came from a charity (the Under 5s pre-school group); that Council would reconsider its previous decision not to install a dog-poo bin near the church, in response to a two-man clamour of discontent; that out of the blue there were three separate bids to hold coffee mornings in the Hall; that despite promises there was still no secure Minor Injuries service from local surgeries, at least one of which had said it offered a service only to its registered patients and by appointment.

Landulph Under Fives

The Landulph Under Fives has places available from September for two-to-five-year-olds. The places are fully funded for those who are eligible. Please get in touch if you'd like to come and look around. You can contact us either through our Facebook page, email landulphunderfives@yahoo.co.uk or call/text 07718 830 149.

We have been busy this half term learning all about the people who help us. We have had special visits from the Fire Brigade, the Police and the RNLI. They were allowed to use the hoses on the fire engine and sat in the back of the police van. We've also learnt about how to be healthy, in particular our dental hygiene.

With the lovely weather, we have spent a lot of time outside playing and also growing our own produce. Four of our pre-schoolers are moving up to Landulph School in September. We are very sad to see them go but wish them the best of luck in their new adventure.

As always, the committee works really hard to raise vital funds for our pre-school, as the funding and fees we receive are sadly not enough to cover the running costs entirely. We have lots of exciting things coming up and we hope to see most of you at the events we organise.

We are excited to welcome Vince Lee and the Big Combo to the memorial hall on Friday 18 October for our next band night. The performance is part of the Landulph Festival. They are a really big band

We will again be running the children's tent at PenGrillie and we are really grateful to be invited to do this. It's a great day out and we have lots of fun things planned for the children to get involved with. We have our Big Autumn raffle too which will be drawn on 31 October 2019. Tickets are £1 each with a top prize of £100, 2nd prize £50 and 3rd prize £20. There are also a host of other amazing prizes to be won. We

have kick started a crowdfunding campaign which has been hugely popular and we were overwhelmed by the support we received in the first two days of this. We have a target to raise £1,500 from this campaign. If you'd like to support us, the link is https://www.justgiving.com/crowdfunding/landulph-underfives?utm_term=aWMeep3Pj. We're also planning to organise something for Christmas which you won't want to miss. Keep an eye on Landulph Innit for more info about this nearer the time.

End-of-Year activities at the School

As the academic year draws to a close for Landulph School we are preparing to say goodbye to our wonderful year 6 children and their families and wish them well for the future. They have been amazing and will be sorely missed. We are also busy preparing to welcome our school starters and their families to Landulph in September. It has been an

incredibly busy few months with lots of fantastic things to share; I will try to give you a flavour of what we have been up to!

Years 5 and 6 have had a fabulous residential in Bude enjoying abseiling, rock climbing, high ropes, kayaking and surfing to name just a few. They showed amazing determination, team work and resilience. Whilst the older children were away on residential, the rest of us had a great day at Port Wrinkle as part of our topic about oceans and seas. We explored the rock pools, made stone stacks, skimmed stones, made sand sculptures and enjoyed an ice-cream! We have had a truly inspiring performance by the Mount Kelly Chamber Choir (Current Devon Schools Choir of the Year). If you get the opportunity to see them perform you certainly wouldn't be disappointed.

Congratulations to Tamar House who won Sports Day this year and also to the Area Sports team who came joint second overall in the Small Schools Championships and won the tug-of-war event.

Finally, our amazing PTA treated us all to a whole school trip to Antony House. We had a great day exploring the grounds, going on a tree hunt, creating our own pictures using natural things and pond dipping.

Baby and Toddlers group expands

Over the past few months, the Baby and Toddler Group has grown. We have five children from Landulph who either live here or have family in the village and we are now welcoming new children from Hatt, Saltash, St Mellion, St Germans, Catchfrench and one from Gunnislake.

The feedback is that many of our Mums and Dads like the atmosphere of the group and the relaxed way in which the sessions are run. They are invited to join in the activities, chat and make friends, share

problems, realise solutions and make friends over a cuppa and cake. We often join with the pre-school group play which helps them get used to it when they move on.

We invited the village to a coffee morning on 25 July where everyone was invited for a cuppa and cake, with all donations going to the Baby and Toddlers Group. We are hoping to do it on a monthly basis so please do come along. We'll keep you updated via Landulph Innit and the Newsletter.

This year, we are also running throughout the summer in an effort to keep the group going. and to give the children somewhere to be where they can meet up with friends.

On a personal note, it has been a privilege to be involved in the Baby and Toddler Group. Thank you for the opportunity to be a part of this wonderful village.

CYC White sail challenge

At the half way stage of the Cargreen Yacht Club White Sail Challenge, David Wheatly, in his Stratos holds a slight lead over Andrew Butcher in *Aelea*. They are clear of Tony Head in *Triple Venture*.

The fine weather has attracted a total of 15 boats on to the water with fleets numbering around six or seven a race.

Cargreen Regatta

The ever-popular Cargreen

Regatta, which is regarded by many Plymouth racers as the end of season party event, will be held on Saturday 7 September. Racing in various classes, from serious to fun, will start in the Sound at 09.30.

The centre of activity moves to the Club at 11.30 where the bar will be open, a barbecue will be warming up, there will be music from Cornish Jam and the cadets will get wet and muddy in the raft race.

Events at the Club are open to all, and parishioners are welcome to join in.

For one night only!

By popular demand Village Night returns to Landulph Memorial Hall on Saturday 26 October as part of this year's exciting Festival repertoire of events.

So, start thinking about your act: warm up your voice, dust off your dancing shoes, practise your performance - we want lots of variety. Britain's Got Talent has nothing on Landulph's Village Night.

To be included in the programme, talk to Sally on 01752 845838 or email your details to landulphfestival@gmail.com or take your chance on an Open Mic slot being available on the night. This year is going to be one of the most exciting ever, with lots of surprises in store, including live group karaoke!

Landulph faces up to climate change

Landulph Parish Council's Climate Change Statement of Intent was approved and adopted at the July 2019 meeting. Parishioners are invited to comment on the document, for further review at the September Parish Council meeting. Please forward any

comments to the Parish Clerk clerk@landulph.org.uk, or your Parish Councillors by Monday 9 September. The document is available at www.Landulph.org.uk.

Gardening Club

Mid-July everything is so dry. Pots I water are thirsty again by the next day. A walk around the village shows wild flowers and the bees doing well. There are some beautiful purple vetch and knapweed on the embankment wall at the park and the yellow rattle,

sown by Philip Braund for the Parish Council, is doing its work at keeping the grass at bay in readiness for different sowings later on. There have been quite a lot of tiny wild strawberries in the Coombe, followed by various pink and yellow wild flowers.

There is no meeting for the club during August but we have had two full days of garden visits including RHS Rosemoor with its fantastic rose garden and other burgeoning areas. Local gardens open for visits near to us, both in aid of St. Luke's Hospice, are Sunday 4 August 12 to 4 Lewtrenchard Manor, Lewdown EX20 4PN and Sunday 11 August 11 to 4 BereFerrers Village PL20 7JS.

On Wednesday 11 September 7.30 we have an illustrated talk about garden history - a long stretch of it - from the Romans to modern time. Everyone welcome and the first visit including refreshments and raffle is free.

Special services of remembrance

There are many funerals in our seven congregations and it is always a privilege to care for people at these special times, writes our rector Chris Painter. To remind people that our care for them is on-going, rather than just for a few days, we will be holding special services over the summer. In addition to words and music celebrating life, there will be the opportunity to remember those we have lost by name. Invitations have been sent to people who have received care in bereavement. However we extend the invitation to anyone who would like to take part.

For those funerals which took place in (or were conducted on behalf of) St Dominick, Landulph, St Mellion or Pillaton churches, there is a service at Landulph church on Sunday 4 August at 3.00pm.

Lazing on a Sunday afternoon... or not!

What better way to spend a sunny Sunday afternoon than enjoying a cream tea or Pimms and strawberries as you relax by the beautiful River Tamar and drink in the amazing views? Or, if you have children or prefer a livelier vibe, with lots to do, come and challenge yourself with fun and games for the afternoon. Both options are on offer on Sunday 15 September 2019 at panoramic Neal Point, Landulph. The Bishop of Truro will formally

open this community event in aid of the Church Tower repair fund at 2pm. The afternoon will feature a special performance from Landulph School Choir as well as live music from our own Cornish Jam.

Delicious cream teas and cakes, Pimms and Strawberries will be on offer, as well as lots of fun and games for all the family, including pony rides, football penalty shoot out, welly wanging, Space Hopper racing, cow patty bingo and other games with prizes to be won, all culminating in a grand tug-of-war at 5pm.

As the 15 September is also Benefice Day, the Bishop of Truro will be the guest at a special Church Service of Dedication at 3pm to which all are welcome. During this Service, Pelynt Male Voice Choir will sing and the Bishop will dedicate the Cross of Worship kindly donated by Landulph Methodist Church on its closure. It will take pride of place at St Leonard and St Dilph for the future. There will also be a fascinating display of Church historical photographs and information.

An afternoon which offers something for everyone!

Landulph Craft Ale Festival 2019

This summer sees the return of Landulph's Craft Ale Festival after a short break, which promises to build on the enjoyment of 2017's festival. It all starts at 1.00pm on 31 August in the car park of Landulph church and will continue until late. There will be entertainment throughout the afternoon and into the evening, finishing with our headline act The Longfaces.

Under 14's will be free, between 14 and 18 will be £5 and over 18's £10. There will be a variety of locally sourced ales to drink and good food to eat, whilst enjoying good music in what is a beautiful location.

Please visit our Facebook page for the latest information on the event.

Jack Bedbrook, Tim Clarke,

The Parish lost two distinguished residents in quick succession recently.

Jack Bedbrook died on 10 July July after a short illness.

Jack had been Managing Director of the Devonport Dockyards at the time of the Falklands crisis. He had also been Commodore of the Cargreen Yacht Club. A long-serving and active member of the community, Jack had been, at the time of his death, the oldest Landulph Parishioner.

Tim Clarke died on 23 July after a long illness borne with immense bravery and determination. Tim had been the treasurer for the Landulph Newsletter group for several years. He was a vital member of the committee and a leading contributor of original and wacky ideas. The parish has him to thank for several cunning April Fool spoofs.

Pop-up Coffee Mornings

With the love of tea and coffee being the staple of the British and not many facilities in the parish to eat, drink and be social, Tuesday 10 September sees the launch of a new weekly event for the community at Landulph Memorial Hall from 10:30am to 12:30pm. Whether your orientation is horizontal, vertical, diagonal or if you hold out your little finger when sipping; whether you prefer lapsang, oolong, darjeeling, plain

black, percolated, flat white or french press; everyone will be welcome for tea, coffee, cake, read the newspaper or sit and chat with your fellow neighbours.

For more details, contact Charlotte (843645 or winddrift2013@gmail.com).

Don't stash your foreign cash!
Remember those Dollars, Krona, Euros or other foreign cash left over from your travels? Have you still got notes not worth exchanging and coins lurking in a drawer that banks won't take anyway?

Well this is a great opportunity to clear them out and put them to good use to help an important

local cause - to repair and preserve one of the most historic community assets in the parish, Landulph Church. You're probably aware that the Church Tower needs vital repairs. Money is gradually being raised but the sooner we can get the project going the better before further deterioration sets in.

So why not donate your unwanted foreign currency to this worthy cause? If we pool our little pots of foreign money we can change it or sell it and you'll be helping to preserve this important and ancient building for future generations.

We can collect it if you call 01752 841361 or email

em.honey@btinternet.com or you can drop it through the letter box at Penyoke Lodge, Hill Gardens, Church Lane, Cargreen, Saltash, PL12 6NS.

Any donations, no matter how small, will give you the satisfaction that you are helping to make a difference to the village and as a bonus you will get the drawer/storage space back!

PS: Contributions in good old sterling also much appreciated!
