BREXIT DAY EDITION

Illustrated by Clarissa Newell

Your guide to what's happening in the area  
Issue no. 85 February/March 2020

## **Parish Council - Monday 16 December**

From the outset this promised to be a quick affair given that members of Cornwall Council Planning Department were a 'no show' and that food and drink were laid out ready for all to partake at the close. Although there was little of note in the public forums, our Councillors considered various matters as diverse as to how a new sewage treatment plant on a planning application before them would be emptied, to the Council's finances and the sale of pasties in the parish. When it comes to finances, it would appear that the Council has a major dilemma. On the one hand it is encouraged/instructed to earmark and reserve funds, but on the other it is not allowed to spend said funds. At last month's meeting the Council spent its annual quota of s137 money (it allows councils to unlock reserve funds to incur expenditure for purposes not otherwise authorised). This means that it may now not be in a position to meet its obligations to pay for matters like the cost of maintaining the non-ecumenical part of Landulph's cemetery. The Clerk is to seek urgent clarification. If you see the Councillors wearing tin hats on 1 April next year, it's not an April fools joke, more an attempt to protect their heads now that they have voted through a 34% increase to the precept. Perhaps we need more housing to spread the cost! However, on a serious note, the Council is expecting future costs to increase thanks to Localism and Climate Change initiatives. To put it into context, a Band D property can expect to pay an additional £1.38 per month. On a happy note, our access to local pasties should be secure as the Council approved to renew Helluva Pasties' licence. Apparently the Councillors don't buy pasties so there was no conflict of interest!

## **Monday 20 January**

The second report has to be submitted within hours of the meeting to ensure strict publishing deadlines are met. Ordinarily this can cause havoc to the old creative and editing juices. However, this month there was a thin agenda and there was little to note in the public forums. The Council agreed to go back to Cornwall Council's Planners to see whether or not they will meet the public after their private meeting with our Councillors next month. Following last month's meeting, the Clerk received clarification as to how the Council can spend its money and it was resolved that from the new financial year a more rigorous 'grant application' process will be put in place. The Councillors then got bogged down at item 13 on the

agenda, the recurring banana skin that is data protection. Your scribe's 'will to live' was restored when it became apparent that the Council are going to start eviction procedures to the abandoned white van on The Coombe.

Finally, the Council was given the disturbing news that the Memorial Hall had been damaged yet again following a teenagers' party at the weekend.

*Marc Shirlaw*

### **Twenty is plenty**

Parishioners will be well aware by now that a new 20mph speed limit has been introduced through the village including Church and Coombe

Lanes. This extends the existing 20mph restrictions around the school. Anyone who walks our lanes, particularly the serpentine section from the Methodist Chapel to the Cross, will know the perils of cars appearing round blind bends at speed. This route is particularly dangerous for young families on the way to or from school in the early morning and afternoon. Horses and their riders are also a vulnerable group. Martin Worth, Council Chairman, who campaigned for the lower and extended limit, commented 'This makes it safer for all the children and adults in our community as pedestrians, riders and road users. It also improves accident survival and injury rates for all and encourages us to pay more attention to our travel, whilst being more aware of others on the road'.

Martin concluded that, if people were worried about driving standards in the parish they should follow police advice and fit dash-cams front and rear and GPS. This can then be used as evidence in any police action.

### **Happy New Year from the Landulph Primary School**

We hope you enjoyed the community performance of Never Say Neverland and thank you for all of your support as a community, it means a lot to us. We are all incredibly proud of the children and staff for making it such a special production.

During December, children and parents collected three large sacks full of food, it was an excellent way for us to demonstrate the spirit of Christmas and we are sure it helped those who were less fortunate than ourselves during the festive period.

As we are a Makaton friendly school, we would like to introduce this to the wider community. Look out for the posters on the community notice boards in the village. If you would like a copy of the 'Introduction to Makaton' publication, please pop into the school office or visit [www.makaton.org](http://www.makaton.org). Makaton is a unique language programme that uses symbols, signs and speech to enable people to communicate more effectively.

The children are continuing to have an amazing time at their Wild Tribe Sessions. They have made magic potions, nature sticks and nature paintings. They have been introduced to the 'Kelly' kettle and have used charcoal to draw on trees. In the last session they used all of their skills to make wooden reindeer Christmas

## Landulph Under Fives

We are always overwhelmed by the support we receive from this community and the start of this year is no exception. Firstly, we would like to say a huge thank you to Landulph Parish Council and the Memorial Hall committee for their incredible financial support at the end of last year. With this support we can now concentrate on our marketing strategy which will help us to increase the number of children attending. This will enable the preschool to be more sustainable and allow it to thrive as it deserves to.

Less time spent on fundraising events has allowed the committee and staff to concentrate on ways to maintain a steady number of children at the preschool. We now have 11 children on Monday and a steady number throughout the week. We are as busy as ever and having a great time helping the children to develop both socially and academically. We still have spaces for new children so if you're interested in seeing what we have to offer, please get in touch on

07718 830149 email [landulphunderfives@yahoo.co.uk](mailto:landulphunderfives@yahoo.co.uk) We'd love to hear from you. Government funding available where applicable. The start of the new term introduced the topic of transport. The children enjoyed discussing their favourite type of transport and investigating tyre tracks, decorated

aeroplanes and cut out and painting their own transport. They created a role play bus and aeroplane and programmed bee bots. They have a special trip planned on the train to finish off the topic.

**Back by popular demand** *Whisky Falls* will take to the stage again for our annual band night on Friday 13 March assuming the hall has reopened by then. We hope you will join us for a night of fun and dancing. More info will be available on our Facebook page over the next few weeks and of course we'll make sure we share it on Landulph Innit!

### **LMH vandalised**

The Memorial Hall has, on three occasions recently, sustained substantial damage during private functions. It is therefore with a great deal of regret that the Memorial Hall Committee has felt it necessary to suspend all further party activities at present. The photo shows the extent of the most recent damage which affected two doors in the men's toilet and one in the ladies'. Minor damage was also caused to the defibrillator - enough to suggest it needs to be replaced.

All weekly clubs can continue to run as normal and we would ask for your patience whilst we attend to repairs. The Hall Committee hopes to find a solution to this dilemma as quickly as possible so that the Hall can once again function for the entire Community.

It is understood that all the hirers involved have agreed to cover the cost of repairs.

## Landulph Church News

Landulph Church had a great Christmas - thank you for being there. Through a dramatic, candle-lit Advent service, the carol service with guest turns by the Cargreen Village Choir and Cornish Jam, Messy Christmas (a turbo-charged Sunday school), attended by quite a lot of children and families, to a midnight Communion on Christmas Eve, we celebrated Christmas, with your help.

**Tower roof work underway** After much hard work and fund-raising, work began on the tower roof before Christmas. Although the main roof was repaired nearly twenty years ago, the tower roof needed work and was letting in water. The project has taken longer than expected due to terrible weather conditions. The tower roof is now covered with lead again and Heritage Cornwall is working to complete the flashings. It has started the work on the stair turret.

The total project cost is over £60,000, raised by a number of generous donations (one donor alone gave over £25,000), and grants. Thank you

to those who worked so hard applying for the grants. We were also touched by the number of donations which continue to arrive. There is still more money required so if you meant to help, it's not too late. There will also be other work needed which is less urgent than the roof, and we'd like to undertake those to secure the building for future generations.

**Services** In addition to a monthly Communion service and either Morning Praise or Family Service, we look forward to other services over Lent and Easter - please look out for these on [www.thetamar7.org](http://www.thetamar7.org) - and we plan more community events. The church is committed to supporting the work of the RABI (Royal Agricultural Benevolent Institution, [rabi.org.uk](http://rabi.org.uk)) for the foreseeable future. The charity offers support to the farming community in difficulty.

For those who are interested in faith but don't feel ready for church yet, we have an informal group which meets monthly to talk about faith and is open to all.

We hope to see you.

| 1st | Iris James   | £21.00 |
| 2nd | Rob Leverton | £16.00 |
| 3rd | Pam Watson   | £12.00 |

## **Choir of angels – almost!**

The Cargreen Village Choir had two impressive outings before Christmas at which they were able to show off their new-found confidence and skills. In addition to leading the community singing at the Service of Nine Lessons and Carols in the Church, they performed two excellent anthems including a special version of Leonard Cohen's *Hallelujah*. Later they performed 'Carols on the Quay' at Slipway Quay where, in spite of the dramatic weather, a large group of parishioners gathered to enjoy fine singing, tasty mince pies and warming mulled wine. During the evening **£197.63** was collected for the Salvation Army in memory of Jack Bedbrook.

*James Jermain*

## **Parish walks**

On Sunday 29 December, it was lovely to see so many people of all ages taking part in the annual Parish Walks. The majority did the medium length walk and enjoyed our beautiful countryside in sunshine, for a change! It was a great opportunity to meet up with everyone after Christmas and blow the cobwebs away. We had a welcome addition halfway round and 'Mabel' seemed to really enjoy the rest of the walk with her new doggy friends!

On return to the Yacht Club, we were treated to delicious pasties and homemade soup, just what was needed after our exertions. A huge thank you to all those involved in leading the walks, feeding the hungry masses and quenching our thirsts in the bar. We raised over £70 which has been donated to the newsletter.

*Jane O'Sullivan*

### **Motor racing night at CYC**

The idea of a Scalextric race night started when a picture of a McLaren supercar was posted on Landulph Init. Someone said that all they could afford was the Scalextric version. That led to a discussion about how many cars and how much track were boxed away in peoples' lofts. From this the idea to build a super track and have a race night for charity was born.

The Yacht Club offered the venue and bar and Steve Oaten organised the event for Monday 30 December. Competitors ranging from the interested amateur to the professional enthusiast gathered and everyone had a fun evening. Many thanks go to Adrian Crawford for donating the prizes and winner's trophy. Congratulations to Jason Small who completed the most laps around the two circuits. Most importantly, over £60 was raised for Prostate Cancer UK.

*Dave Wheatley*

### **Landulph at war**

The wartime photo opposite came to us from Peter Soper. Many of the people shown will be well remembered by family and friends living in the parish today. If readers have stories to tell or memories of the Landulph Home Guard, please get in touch with me at [jamesdjermain@aol.com](mailto:jamesdjermain@aol.com), or drop a note through my door at Tamarisk Fore Street.

Charlie Budge, Fred Willcocks, Les Jifford, Nelson Braund,  
Bill Blatchford, Eric Braund.

#### Back Row

Les Ruse, Henry Searle, Jack Doidge, Sam Pengelly, Bert Braund,  
Perce Carter, Jack Billing, Sam Every, Arthur Deacon, Gerald Barrett

## Local Christmas Cards – Amount raised

Cargreen's generosity has really surpassed itself. We have raised the handsome sum of £500!

So far I have been unable to pass the money over to Captain Andy Toby due to holidays, but it will be arranged for a date on his return. In the meantime he has sent me some photos of the preparation of the gifts and you can see what a mammoth task it has been.

The table below shows the people who have contributed:

## **Gardening Club**

It's difficult to think of gardening in grey days lashing with wind and rain. Cabin fever could set in! The first two talks for 2020 are on Wednesday 12 February at 7.30 when David Eno will show us photos of a very old garden he inherited and is currently re-planning. March should be better weather and Tricia Howard from Hidden Valley Garden near Fowey will give ideas on garden design on Wednesday 11 March.

I know the village is involved in planting trees but if anyone would like a small sapling to try out themselves, I have a few seeded in my last garden: white hawthorn, ash, English oak, Holm (evergreen) oak & Contorted Willow. Also several shrubs, plain coloured evergreen Aucuba and Cotoneaster. Please ring me on 846504 or call in at 10 Coombe Lane. The Club would welcome new faces, and if you'd like to try us out, the first visit is free.

*Jen Hambly*

## **Yacht Club Winter Training**

We are in the winter training period, and this year cadet theory sessions have been open to all Club members. In January a session was held on knots and their uses, and Simon Mace from Horizons Charity gave a talk on yacht handling under power for new and potential yacht owners. In February a theory session on the rule of the road is planned and an RYA Essential Navigation and Seamanship course is being held at the club. A VHF course has been arranged also with help from the Horizons Charity.

Over the winter a two-man RS Feva has been purchased for use by cadet and adult sailors, with the Festival Committee kindly buying a cover for it. The club has also purchased 30 puncture proof wheels for half the cadet fleet of trolleys and with fair wind we are hoping to receive a substantial donation from the DHL Foundation for the remainder.

Cadet sign up for the 2020 season is on Friday 20 March.

## **Thank you**

The newsletter would like to thank Liz Dunn for her donation of £40 to our funds, raised from the sale of her artwork which was used for our recent front cover, in issue no83 .

## **Open Invitations to parish AGMs**

It's that time of year again when voluntary parish organisations hold their annual general meetings. These meetings act as a review of the year and deal with issues such as the election of committee members and reviewing the annual accounts. Please show your support of the Landulph Hall Management Committee and also the Landulph Festival of Music & The Arts by attending their upcoming AGMs.

**The Landulph Memorial Hall AGM** will be held on Monday 24 February in the Hall Annexe at 7pm.

**The Landulph Festival of Music & The Arts AGM** will be held on Monday 2 March in The Cargreen Yacht Club at 6.30pm. Wine and nibbles will be on offer.

Your presence at either or both of these meetings would be much appreciated.

## **Landulph Memorial Hall 100 club**

Thank you all for supporting us last year. We hope you will continue to do so. If you would like to join the 100 Club, the cost is £12 per year, collected in February. Half the money raised goes to the upkeep of the Hall with the other half going in three cash prizes every month, four in December. The draw takes place each month around the clubs who use the Hall on a regular basis.

If you would like to join please get in touch with either Sue Wright 847533, Gaye Braund 847774 or Rose Cradick 843257. We are all happy to collect your subs if required.

*Sue Wright*

## **Landulph Life**

As part of this year's festival, Katie Kirk is putting together a performance which celebrates life in Landulph. If you have stories that epitomise life in Landulph or would like to take part in the performance please contact Clare Tagg 07866 680971 ([clare@taggoram.co.uk](mailto:clare@taggoram.co.uk)).

Look out for more information in the next newsletter.

## **New paper for our newsletter**

You may have noticed that in this edition and our previous, we have used an improved paper with a sheen (formed with the addition of china clay) which we hope you approve of, and we will continue to use. Please recycle this newsletter with all your normal paper, and the paper is bio-degradable.

## Life Saving Automatic Defibrillators

There are two defibrillators located within our parish, both for public use in an emergency.

1. Landulph Memorial Hall in Fore Street
2. Cargreen Yacht Club, Coombe Lane.

### Landulph Memorial Hall defibrillator:

Located adjacent to front doors

To use you are required to input the code 1111 to unlock and press the green 'tick' button to open for access.

### Cargreen Yacht Club defibrillator

Located on the front wall of the building before you reach the front doors.

This unit is left unlocked, and so no unlock code is required

Please remember in the event that you may need to use one of the above units, that in a cardiac arrest situation, **continuous CPR is essential while someone else goes to obtain the defibrillator.**

## Next edition copy date is 15 March. We cannot guarantee to publish anything received after that date

Please contact a Group member for more details
