

Landulph Parish Climate Action Group

The Landulph Parish Climate Action Group has been set up by the Parish Council to encourage parishioners to make changes to reduce their impact on the environment. This is in support of Cornwall Council's initiative for Cornwall to become carbon neutral by 2030.

We are keen that the work we do supports the wishes of the Parish. By completing this questionnaire, you will help us focus on the issues that are important to you.

Q1 Does climate change concern you?

- Yes, a lot
- Yes
