

# LANDULPH NEWSLETTER CELEBRATES THE QUEEN'S PLATINUM JUBILEE

Including your guide to what's happening in the area  
Issue no. 99 June/July 2022

**Dear readers,**

We have the pleasure of presenting some of the events that have taken place over the four day public holiday, in Landulph, to celebrate 70 years reign of Her Majesty the Queen, on her Platinum Jubilee.

We would like to thank the many parishioners and friends who have taken part in creating this unique occasion, and to those who have contributed photos and displays and exhibits. We have included a few, and notably the one below by Gaye Braund.

## Jubilee Day Thursday 2 June

Celebrations began at the Cargreen Yacht Club where parishioners and friends gathered on this memorable day.

The evening kicked off with community singing led by the splendid Cargreen choir which then led to a grand finale of music recorded at 'The Last night of the Proms' where everyone joined in with the rousing song of 'Land of Hope and Glory' from Elgar's 'Pomp and Circumstance'. At the set time all participants took part in the alternative environmentally friendly national beacon display.

The event was then regally crowned by a firework display from the river and beautifully set behind the Union flag which was strangely and magically enhanced by the hovering drone which was actually recording the event from the sky (see front cover). The evening continued with lively music selected by Martin Worth who helped to bring this memorable event together, organised by the Jubilee Committee.

## Jubilee Saturday 4 June

Saturday night's Platinum Party at the Memorial Hall featured local band 'The Morzim', playing covers from the last 50 years. It was not surprising that it was the old classics that got everyone up on their dancing feet, with not a single reveller being left seated by the end of the evening. A glass of fizz (or two) and a well stocked bar provided by

Landulph Under 5s clearly lubricated parishioners' dancing shoes. The photo booth with masks and crowns gave everyone the opportunity to become a royal for a brief moment in time.

The appropriately jubilant atmosphere continued until the early hours with plenty of energy left for Sunday.

Of course the event held at Landulph Memorial Hall was competing with many other local events and especially with the Queen's own live event outside Buckingham Palace. We were fortunate to have our own host of royal guests attending our event, some of whom you can see on the photos overleaf.

Amongst the local events in the parish, Stockadon Barns held a grand event with a carnival atmosphere which lasted well into the evening . You can see a photograph of some of the gathering overpage .

The party at Stockadons Barns

## Jubilee Sunday 4 June

For the finale to the weekend of celebrations, a fresh band of volunteers transformed the dance hall into a community Street Party venue. And just when we thought the Memorial Hall couldn't look more patriotic, out came more bunting, flags, paper chains and balloons.

As families and friends assembled, the long table tops became submerged in a sea of hampers, china cups, champagne flutes, trifles, local strawberries, traditional finger food and, of course, CAKE!

Billy Whizz provided entertainment for the children with his magic and balloons but it was the children themselves who stole the show. Isabelle Stephens won the children's Jubilee Hat competition, and Marcia Pirie was victorious for the adults.

Andrew Barrett and Katie Brailsford filled the annexe with memorabilia of royal visits to Landulph as well as a display of children's artwork: impressive portraits of Her Majesty and colourful bunting. Video footage of the coronation 70 years ago was shown, and we all learned that one member of the parish was actually present - Ian Dunn (and he wore his kilt!).

## 50th Anniversary of the Cargreen Yacht Club

There is an old expression (for those of us who have lived in cities) – you can wait hours for a bus and then two come along at once – well after two years of lockdowns and no parties (forgetting about No10) we have had, most recently, the four day Platinum Jubilee celebrations, and back in May, the Cargreen YC 50<sup>th</sup> Anniversary.

This club event welcomed yacht club members and friends and families from the Parish and turned out to be a great day. There were many activities including a mini white sail race, paddle board race, pico, canoes and Triathlon races, and awards were presented for these by the current Commodore Mac Armstrong, and there was celebratory cake and a glass of fizz for everyone. On the water, all boats sailed past a bevy of ex-commodorees, who took the salute and on land, with

glorious weather, there were cream teas and Pimms, and we were entertained by Cornish Jam (cream on top) and the fabulous Barrett's Privateers, who crescendoed with a raucous version of the song (definitely not heard on the BBC) of 'Little Eyes'.

The evening then continued with lovely food by The Cornish Maids Kitchen and lively music by the Cornish Groove Collective.

*above:*  
Ian Dunn who was around in the early days of the formation of the club, and remains the earliest surviving ex- Commodore, and interestingly, he was present at the Queens Coronation.

Current Commodore  
Mac Armstrong toasts 'The Club'.

*below :*  
Some of the trophies made by Peter Plume.

## Parish Diary June / July 2022

Regular readers will know that the parish diary lists forthcoming local activities. As Covid 19 restrictions ease dates for events known at the time of publication are listed below, together with contact details for organisers of groups, including those that haven't yet reconvened.

<b>Film Club</b>	3 <sup>rd</sup> Tuesday in winter 8.00pm John Hall	01752

## Parish Council April

**Public Forum** The Public's comments were discussed later in the agenda, but one comment asked about the council's support for Rural Workshops. There are apparently four old ones in the parish, now in a dilapidated state. No immediate answer was forthcoming.

Councillor Tagg was congratulated on the production of the first Community Email. This is intended to help distribute Parish Council news – in effect a rival to this report, so expect a press war soon.

Councillor Tagg said the distribution list was ad-hoc at the moment, but the email would be advertised in the next newsletter to widen circulation.

**Planning** Planning applications for eight and four dwellings on Rosehill Nurseries had been withdrawn earlier that day. The PC had held discussions with the developer who would make a follow-up application. 'Affordable housing' had been proposed, but no-one really knew what this meant, who it was for, or the conditions attached to it. Councillors were to have a workshop with the head of Affordable Housing to gain insight!

**Recreation Ground** Repairs to the see-saw and fencing are complete. The next four outstanding medium risk tasks are to fix the multi-play area, to replace bits of the activity trail and climbing frame, and to refurbish the tractor. Total for this work would be about £5,500, though this might increase as the price of wood had recently rocketed. The council agreed to go ahead with all four items, using funds reserved for replacement as necessary. No point in keeping reserves if you don't use them!

**Footpaths** Following a Public Forum comment, the Council's Tree Warden had agreed that an ash on the Penyoke footpath was suffering from dieback. It had been reported to the Duchy (on whose land it was) but they had not responded. The Chair would revisit the path and take it up with the Duchy's Land Agent.

**Platinum Jubilee** A member of the public asked that the council rethink the earlier decision not to give commemoration presents to the parish's children. After some spirited discussion it was proposed to give all under 16s in the parish a Cornish-themed memento.

**INNOVATION & EXCELLENCE AWARDS 2022**  
Small Business

**SM NEWS** **SOUTHERN ENTERPRISE AWARDS**

**Cornish Scone Company**  
SPECIALISING IN CORNISH CONFECTIONERY

**We have the most delicious, freshly baked Cornish gifts!**  
**Delivered anywhere in the UK.**  
**Gluten free and**  
**vegan options also available**  
**Visit our website for more details**

[www.cornishscone.com](http://www.cornishscone.com)

**Zoom:** Zoom had proved very useful over the past couple of years but cost £15 a month. The Council pays for the Google alternative as part of the internet package, but it is not used. Councillors agreed to keep Zoom for now and research the alternatives.

### **Parish Council, May**

The Parish Assembly was inundated with a crowd of five members of the public. The assembly provides an opportunity to summarise progress and plans in Landulph, and whilst there is lots to report, this is mostly covered by the Parish Council notes. Particular mention was made of the focus on emerging from covid restrictions, improvements in Parish Council processes, increases to the precept now that Solar Funds are exhausted and continued support for the school and Under 5s. Playground maintenance has continued, and the Climate Action Group has been very active. The Emergency Plan provided support during recent storms. Fibre broadband roll-out has been very successful though not complete, but we are the envy of a lot of other areas nearby. The Jubilee landmark tree is in hand, and the new Hopper Bus service has started.

Councillor Worth provided a Chairman’s Report which is available on-line, indicating the breadth of activities he is involved in as a County Councillor. Whilst it makes interesting reading, it will be better read in its entirety rather than in summary form here.

The ‘Public’ raised several points, the most immediate of which concerned the proposed development of Rosehill Nurseries. This has raised a lot of issues which the council is actively pursuing, in particular on the need for, and requirements of, affordable housing. Current policies will dictate any decisions, especially as this is mostly a greenfield site in an AONB, but the developers are keen to consult, and work with, the parties involved.

Then on to the Parish Council Meeting.

**Council Responsibilities** The following were nominated/pressganged for the coming year;

Chair	Councillor Worth
Vice Chair	Councillor Gawith
Memorial Hall	Councillor P Braund
Road Safety	Councillor Gawith
School Liaison/Under-5s	Councillor G Braund
Footpaths	Councillor Tagg
Emergency Planning	Councillors Worth, Gawith and Dennis
Climate Action Group	Councillors Worth, Dennis and Tagg
Cornwall Gateway Community Network Panel	Councillor Gawith
Cornwall Gateway Environmental Group	Councillors Tagg and Dennis

**Matters Arising** Electric car charging generated more charged

discussion. There is little definitive advice on this. By law, cables must not cross a highway... but nothing mentions footpaths. The PC was advised not to issue advice, since this might be construed as accepting some responsibility.

Councillor Dennis would provide more details of outdoor gym equipment which might be bought for the Penyoke playing field.

**Planning** The owners of Collogett Barns had followed the pre-application advice received from the council and their follow-up application to convert a barn was supported.

There was an application from the photovoltaic developers at West Kingsmill Farm. This sought to extend the 25-year approval (started 2014, after which the land was to be returned to its original state) to 40 years. There was one public objection, and the Tamar Valley AONB could see no justification for the application, but in the light of the climate emergency the application was supported by the PC.

**Recreation Ground** Repairs to the Balance Beam had been omitted from the last report, and would add £925 to the budget. Councillors approved. The Chair had been asked about the possibility of providing a toilet on site. This was a very expensive option, and input from the community was invited.

*Peter Plume*

Tamar View Nurseries	13:08

Earliest pickup times  
 Drop off as close to your house as possible

## **Landulph School takes on Ten Tors**

This year sees Landulph entering our first team in the Junior Ten Tors event. The team of Year 6 children navigate 10 tors over a day and a half covering approximately 18-20 miles. It is such an exciting opportunity for them. They have been busy polishing up their map reading skills, learning to cook on a Trangia, erecting tents and a training walk across Western Beacon. We wish them every success with the main event in mid-June.

Well done to our Year 6 children on completing their SATs this term. They showed amazing determination and resilience throughout. They

have all worked exceptionally hard and we are incredibly proud of them all. They certainly deserved their day of fun and relaxation. The children have been busy creating portraits of the Queen, bunting and poetry as part of our celebrations for the Platinum Jubilee. In other news, we are always looking for committed people to join our team of Governors. The Governors operate at a strategic level and are not involved in the day-to-day running of the school. Governors do not need to be experts in the field of education, we would welcome

applications from people with wider experience and, in particular from a finance background. If you feel this is something that may interest you and you would like to find out more about how you can contribute to the Governance of our school, or have any questions then please contact the school office [secretary@landulph.cornwall.sch.uk](mailto:secretary@landulph.cornwall.sch.uk).

### **Eco Day at Landulph School**

We were delighted that Landulph Parish Climate Action Group (LPCAG) was invited by Landulph School to speak at their 'Eco Day' in May. The school was hosting an event attended by students from other school councils across the region focussing on what can be done to look after

the environment and what and how they can make changes to their schools and in their local areas to be more eco-friendly. LPCAG was able to share our knowledge on the importance of protecting the biodiversity and special habitats around us and we looked at some of the important wildlife that is under threat, but which

we are lucky to have in our local area, including the curlew, hedgehogs and our summer visitors, the swifts! We discussed the actions we are taking including planting trees, litter picking, reducing plastic waste and looking for areas to rewild and attract more insects and wildlife. The students were given some practical tips on some of the small changes they can make at school and at home which can make a big difference, including allowing a patch of wildflowers to grow, providing fresh water for wildlife to drink, and encouraging habitats such as log piles and bug hotels.

## Under fives

This Summer term the children have been learning about 'People Who Help Us.'

They have loved pretending to be a lollipop person helping their friends learn about road safety. The children have also been helping to rescue toys from a fire by using an obstacle course and being a Teacher in our School role play area.

Over the Easter holidays the children took their cress head characters home to watch them grow. Last term we learnt about the lifecycle of a bean by planting bean seeds which are now growing in our garden. There are lots of fundraising events coming up, so please keep an eye out for updates on our Facebook page or email [info@landulphunderfives.co.uk](mailto:info@landulphunderfives.co.uk) for more information.

We are very excited to receive £4,000 from the Solar Farm Grant through Cornwall Community Foundation and £500 from Waitrose to go towards our much needed repairs in our outside area.

## Letter to the editor

I'm writing on behalf of the Landulph Under Fives Preschool committee as we have heard there is some misinformation within the village and we'd love to clear this up.

Contrary to belief, Government funding has never covered the cost of running and maintaining the preschool. In fact, it covers just 40% of our costs. If we don't fundraise and apply for grants, including from the Parish Council, the parish will no longer have the lovely preschool facility, and so we host events which we hope are fun for all the community to raise funds to keep our three staff employed and the preschool open. The committee who organise the events and run the preschool do this voluntarily with many holding down full time jobs and running their own businesses at the same time.

The preschool has been in the village since 1976 and many community members have helped to run it over the last 46 years. It is a great asset for the younger members of our community and also feeds the majority of children into Landulph school - another great asset to our village.

Unfortunately, Covid has really hit our fundraising efforts over the last two years and it's been a real struggle to keep our preschool alive.

The children are the future of this village and we are incredibly passionate about keeping this facility going - we would love you to support us too as we really can't do this alone.

We would like to thank Cargreen Yacht Club who asked us to run a cream tea stall at their recent 50th anniversary.

We also ran the bar at the Jubilee celebrations, profit from both events will help the finances.

The AGM is in July and your support by attending would be good and of course please buy tickets for our big summer raffle.

*Cat Packer* 'chair'  
committee@landulphunderfives.co.uk

## LANDULPH COMPUTING

Computer expertise and support services  
based in Landulph for home and small businesses

### Services include:

## Protecting our pollinators

If you are spraying pesticide, please be aware that if bees forage on the sprayed area they can take it back to the hive and potentially devastate the whole hive. If you do have to spray any areas, consider doing it at night and covering the area with cardboard so there are less far reaching consequences.

## Life saving training

Training on how to use a defibrillator and life-saving skills is available free of charge for parishioners at the Landulph Memorial Hall Main hall on :

**Monday 11th July 6.30-7.30pm or 7.45-8.45pm**

To book onto one of the sessions, please complete the form available on Landulph Parish Council's website ([www.landulph.org.uk](http://www.landulph.org.uk)).

**Congratulations** to all involved with the Jubilee celebrations. What a great few days which involved so many individuals and groups in the community working together - too many to name but thank you. The organising team worked hard in the months leading up to the Jubilee weekend to provide something for everyone. Together we have done Landulph proud. *Clare Tagg*

## Could you serve your parish?

Landulph Parish Council needs one more Parish Councillor. Becoming a member of the Council puts you at the heart of Landulph life and gives you an opportunity to make a difference to your local community. It is also the gateway to a number of other organisations or working parties in which the Parish is represented including road safety, footpaths, playground, climate change and emergency planning. The prospective Councillor would become a co-opted member of the Council.

To qualify for co-option a prospective Councillor must satisfy one of the following criteria:

Be registered as a local government elector for the parish.

Have occupied, in the last 12 months, as owner or tenant, land or premises in the Parish.

Have had their only or principal place of work in the Parish for the last year.

Have, during the whole of the last 12 months resided within the Parish or within three miles of it.

The applicant must not be debarred from standing as a Councillor.

Applicants will be invited to the next Parish Council meeting.

Anyone interested in the role should get in touch with the Parish Clerk, Katherine Williams, 6 Rashleigh Avenue, Saltash, PL12 4NS, tel: 01752 240541, email: [clerk@landulph.org.uk](mailto:clerk@landulph.org.uk)

## Life Saving Automatic Defibrillators

There are two defibrillators located within our parish, both for public use in an emergency.

1. Landulph Memorial Hall in Fore Street
2. Cargreen Yacht Club, Coombe Lane.

### Landulph Memorial Hall defibrillator:

Located adjacent to front doors

To use you are required to input the code 1111 to unlock, and press the green 'tick' button to open for access.

### Cargreen Yacht Club defibrillator

Located on the front wall of the building before you reach the front doors.

This unit is left unlocked, and so no unlock code is required.

Please remember in the event that you may need to use one of the above units, that in a cardiac arrest situation: **continuous CPR is essential while someone else goes to obtain the defibrillator.**

**Next edition copy date is 15 July 2022. Inclusion of any material after this date will be subject to space available.**
