

Landulph Parish Council Housing Need Survey - deadline 12th February 2023

Landulph Parish Council, Botus Fleming and Hatt Parish Council, and Cornwall Council are working in partnership to conduct an online survey to establish housing need with a particular focus on affordable housing for local people in need. The results of this survey will help the Parish Councils in developing their future housing plans.

We would be grateful if you would take a few minutes to complete this survey if you live in one of the Parishes or you would like to move here. If you have people living in your household who would like a home of their own in one of the Parishes please ask them to complete a separate survey.

The closing date for completion of the survey is 12 February 2023.

A report will be produced to show the results and a copy provided to the Parish Councils, this will help decide on their future plans.

If you live in either Landulph or Botus Fleming & Hatt Parish you will have received a letter asking you to complete an online survey to establish housing need for the parishes with a particular focus on affordable housing for local people. Although the survey is being sent to two parishes, we will get separate results for each parish.

Please take the time to complete the survey by 12 February 2023 - here is the link: <https://letstalk.cornwall.gov.uk/landulph-and-botus-fleming-and-hatt-hns>

To get a full picture of the housing needs of the parishes we need as many households as possible to fill in the survey:

- 1) Each household in the parish - just complete the survey once per household
- 2) Anyone who is living in the parish within an existing household but needs an affordable home of their own in the parish (eg adult children living with their parents etc) - please complete a separate survey
- 3) Anyone who owns a house in the parish but doesn't live here full time
- 4) Anyone who has a local connection with our parishes and needs an affordable home in the parish

If you know someone who should be filling in the survey, please encourage them to fill it in and give them the link: <https://letstalk.cornwall.gov.uk/landulph-and-botus-fleming-and-hatt-hns>.

If you would like a paper copy or have questions about the survey, please contact the Affordable Housing Team on 01872 326353 or email affordablehousing@cornwall.gov.uk.
