

Landulph - Summer 2023 Public Transport Competition

There's so much to do in Cornwall in the summer and going by bus, train or ferry is part of the fun. It can easily save money, avoid the hassle of traffic and parking, be good for the planet, and you can enter our competition.

Just keep a diary of any trip over the summer that involves a bus, train or ferry anywhere in Britain.

There will be prizes in different age groups for making lots of journeys by public transport or having an interesting diary or the best description or picture of a trip.

If you live or go to school in Landulph Parish, or if you are visiting here over the summer holidays, why not go on at least one trip using a bus, train or ferry and enter our fun competition.

What you need to do

You can lay your diary out any way you want – either just a simple list or a scrapbook with tickets and pictures or even an online record. You must include the following details for each part of the trip: date, time, type of transport (bus, train or ferry), start and end location and who you went with. For example:

13 July	9:05	Bus 454	Cargreen	Saltash Leisure Centre	Granny & Mum
13 July	13:45	Bus 454	Saltash	Cargreen	Granny & Mum

Some ideas for trips

Did you know you can now get a bus from Cargreen and that a family with unlimited children under 16 can go anywhere in Cornwall by bus for a day for just £10? Or that there are special deals on tickets on GWR? You don't have to just use public transport for the trip so for example you could park in Saltash and take the train to the seaside at Looe. (See www.landulph.org.uk/climateaction.php for useful links and ideas).

1. Decision by Landulph Parish Council is final.
2. Journeys by bus to school do not count
